Core Function:			Dimension A - Instructional Excellence and Alignment			
Effective Practice:			Curriculum and instructional alignment			
	KEY	A2.04	Instructional Teams develop standards-aligned units of instruction for each subject and grade level.(5094)	Implementation Status	Assigned To	Target Date
Initial Assessment:			Currently PLCS ensure that the curriculum is aligned with the instruction based on the Curriculum & Instruction Canvas Course. They are required to meet weekly, have an agenda, use common pacing and assessments. EOC teachers are continuously meeting with curriculum specialists to dive into data using Mastery Connect to determine areas that need to be addressed for improvement. They are working to utilize high yield strategies to address student instructional needs.	Limited Development 10/14/2022		
How it will look when fully met:			PLC's will discuss the most critical learning standards for the week and prioritize them across the PLC. They will disaggregate data from weekly formative and summative assessments using Mastery Connect, SchoolNet and other progress monitoring tools to be able to show growth		Melanie Myrtle	05/26/2023

Core Function:			Dimension A - Instructional Excellence and Alignment			
Effective Practice:			Data analysis and instructional planning			
		A3.01	Instructional Teams use student learning data to identify students in need of instructional support or enhancement.(5110)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>			<p>The instructional team is utilizing department data to guide instruction and working on enhancement and remediation.</p> <p>Instructional Teams are using the evidence of student learning to identify students who need additional time and support to become proficient and students who need enrichment and extension of their learning because they're already highly proficient.</p>	Limited Development 10/14/2022		
<i>How it will look when fully met:</i>			All content areas will utilize data analysis and plan lessons accordingly to meet the needs of all students. Teachers will plan together weekly, use common assessments, and teacher made assessments for their data analysis. Administrators will always be present in these monthly data sessions. Actions				1 of 3 (33%)		
	10/14/22	A meeting schedule will be created for all content areas to meet once a week in a data PLC meeting. This schedule is created to allow for administrator participation in each meeting.		Complete 09/06/2022	Tracy Hill	09/06/2022
<i>Notes:</i>			<p>Set up the schedule by talking to departments and getting their input as well as making sure admin schedules can accommodate this meeting schedule.</p> <p>Administrators will report back during our weekly administrative meetings on how the schedule is working out with our daily schedules. These meetings are important and we must make sure that we are in them to give teacher support.</p> <p>We need to set up dates and times for ALL content areas not just EOC's.</p> <p>Admin has confirmed all PLCs have a schedule for their weekly meetings. Admin are consistently attending PLC meetings at least bi-weekly.</p>			

10/14/22	During the weekly meetings, PLCs should use an on-going cycle of collecting multiple data sources to interpret the data, formulate strategies to raise student achievement, and how best to implement and test those strategies		Lisa Stewart	05/26/2023
<i>Notes:</i>				
10/14/22	Administration will be required to attend data sessions with the teachers to provide instructional leadership support		Lisa Stewart	05/26/2023
