### **ATTENDANCE POLICY**

State law and board policy requires students attend school daily and be present for all classes. Regular and punctual attendance is critical to student success in school. In order to be counted present, all students must be checked in before 10:40 am or checked out after 10:40 am.

In order to be considered in attendance, a student must be present in the school for the school day, or at a place other than the school with the approval of the appropriate school official for the purpose of attending a school activity, which has been officially authorized under the policies of the Board of Education. Such activities may include: field trips, student conventions, musical festivals, or any similarly approved activity. The Cumberland County Board of Education authorizes school principals to record as present those pupils attending school-related activities as designated by the Superintendent, providing the pupil's attendance at a school-related activity has prior approval of the principal or the appropriate school official.

Please check for special restrictions under each lawful reason. Documentation will be required for any of the foregoing to be considered lawful. Acceptable documentation can be a doctor's note with the doctor's signature, date, and time of appointment, subpoena, or parent's/guardian's note with student name, date, days of absences, reason for absence and parent's/guardian's signature. Documentation should be given to the homeroom teacher the day the student returns to school after an absence. If the note is not received explaining the absence within 5 days after the student returns to school, the absence will be coded as an **"unlawful"** absence. All other absences not defined above as "lawful" are coded unlawful.

### **MAMS Attendance Policy Brochure below:**

#### **COMPULSORY ATTENDANCE**

This brochure includes what every parent should know about school attendance and the law. North Carolina law requires all children who are enrolled in Kindergarten through 12<sup>th</sup> grade to attend school on a regular basis. When a child misses a day of school the parent/guardian must notify the homeroom teacher in writing within three days of the absence.

#### **TYPES OF ABSENCES**

There are two types of absences: **excused (lawful) and unexcused (unlawful, 2A)**. An absence must fall into one of the following eight categories to be excused:

1. **Illness or Injury (1A):** The student is physically unable to attend school due to an illness or injury.
2. **Quarantine (1D):** The isolation of the student ordered by the health department/board of health or medical physician.
3. **Death in the Family (1C):** The death of an immediate family member such as parents, siblings or grandparents.
4. **Medical/Dental Appointment (1B):** Not for routine hour- long appointments, but for extensive appointments involving medical procedures.
5. **Court (1E):** The *child* must be present for court proceedings or an administrative hearing.
6. **Religious Observation (1F):** The tenets of a religion to which a student and their parents adhere, require or suggest observance of a religious event.

7. **Educational Opportunity (1G):** The purpose of the absence is to take advantage of a valid educational opportunity such as travel by the student. *An educational opportunity form is required for prior approval by the principal. A student report must be turned in within five days of the last absence.*
8. **Military Deployment or Reunification (1N):** The child's parent/guardian is deploying, redeploying or home on leave. Not to exceed five (5) days of absences.

---

**FROM THE SCHOOL SOCIAL WORKER**

The school social worker will contact you by letter, phone or home visit when your child has reached at least three (3) unexcused absences or ten (10) excused absences.

---

**REQUIRED BY LAW**

The social worker will send out three contact letters for unexcused absences.

1. The first letter is for **three unexcused absences**. These absences received a code of unexcused because a note was not received from the parent stating one of the eight valid absence reasons.
2. The second letter is sent home for **six unexcused absences**. These absences have accumulated from the beginning of the student's school year. This letter is signed by the principal.
3. The third letter is for **10 unexcused absences**. This letter notifies the parent of a conference with school personnel. This meeting is an effort to resolve the attendance concerns before punitive action.

---

**AFTER THE TEN DAY LETTER**

If attendance concerns continue after the 10 day meeting, then the social worker may proceed to the following actions:

**1. Truancy Mediation Council.** The social worker will request a formal mediation at the Cumberland County court house. The parent/guardian will meet with school personnel, social services, court representatives, juvenile services, mental health counselors and any agencies involved with the student. This will give all parties a chance to discuss the situation and come to a mutually satisfactory solution.

**2. District Court.** The social worker may elect to proceed with court action. This action brings all parties in front of a judge to discuss the noncompliance with the compulsory attendance law. This could result in jail time as well as fines.

---

**EXCESSIVE EXCUSED ABSENCES**

Students accumulating 10 excused absences are sent a letter of Excessive Excused Absences. A physician's note will be required for all future absences. Failure to provide a physician's note will result in the absence being coded unexcused. Parents/guardians may submit a letter from a physician stating that the student has a chronic illness that will cause the student to be absent more than 10 days in a school year.

---

**MAKE-UP ASSIGNMENTS**

It is the student's responsibility to make up missed classroom assignments within five days of returning to school. Please contact your teachers immediately.

---

**ATHLETIC ELIGIBILITY**

To be eligible for MAMS sports, you must be in attendance for 85% of the previous semester. Student- athletes may not attend practice or games on days they are absent.

---

**CONTACT YOUR SCHOOL SOCIAL WORKER**

Your school social worker will assist your family in overcoming any barriers that may be keeping your child from coming to school. Address issues early, so the school year will be successful for your child and family!

---

**MORNING TARDY POLICY**

Please refer to the student handbook for full details of the morning tardy policy. Students are tardy starting at 7:30 a.m. and must sign in at the front office with a parent before reporting to class.

---

**PARENT PORTAL**

Keep track of your child's attendance by accessing the parent portal at <http://www.homebaseportal.ccs.k12.nc.us/>. You will receive sign-in information from your child's homeroom teacher.

---

**BULLYING/CYBERBULLYING**

Students and teachers at R. Max Abbott Middle School should be able to attend school and function in a bully-free zone. For an act to be considered bullying it must meet certain criteria.

This includes hostile intent, imbalance of power, repetition, distress, and provocation. Bullying will not be tolerated and will be handled by the teacher and/or administrator at the occurrence.

A computer or electronic device used to intimidate or torment a student or school employee is considered cyber-bullying. If someone repeatedly posts (through social media, chat, or text) information or photos of or about someone else, makes statements, whether true or false, intended to provoke or harass an individual, they are participating in cyber-bullying. If the acts happen at school or affect another student's performance in school, our school resource office will be called in to assist with the incident.

### **CAFETERIA - SCHOOL MEALS**

Everyone at MAMS has the right to eat lunch in a clean, safe environment. Students will be encouraged to use and demonstrate acceptable social manners while using the café facilities. Lunch should be conducted at a Level 1 (whisper talk) to Level 2 (normal talk).

Breakfast and lunch are served daily. Lunch menus will be posted at the beginning of each month. R. Max Abbott Middle School is a Title I/CPS school - therefore, all students will receive FREE school breakfast and FREE school lunch.

All food items brought to school must be consumed during breakfast or lunch. After eating, students are asked to leave tables clean and carry lunch trays and plastic ware to the trash area. Trash must be placed in proper receptacles. Food and lunch trays may not be taken out of the cafeteria. **Opened containers or bottles should not be brought to school. No food or drink will be allowed during instructional time, unless with a doctor's note.**

Lunch items may be dropped off at the front desk for your child. The student will be called to the office to pick it up prior to their lunch time. Parents/Guardians may only drop off meals for their own children (not for friends). Parents/Guardians who would like to eat lunch with their children are invited to do so, and will be able to eat together in the office conference room during the child's scheduled lunch time.

### **CELL PHONES/EAR BUDS**

Many students have cell phones/electronic devices for communication with parents after school or during emergencies. Student cell phones/electronic devices are not allowed to be used for recreational calls from 7:00 am - 2:40 pm. **Cell phones may be used in the classroom, at the teacher's discretion, as an educational device for class.** Any cell phone, electronic devices, or any other non-educational item that is seen by school personnel, other than during use as an educational device with the teacher's permission, will be confiscated and turned in to the office.

Any student who refuses to give up their cell phone, electronic device or other prohibited item to school personnel will automatically be referred to a school administrator.

Earbuds and headphones are NOT to be used or seen during the school day and will also be confiscated.

After a device is taken from a student the first time, the student may sign for the device at the end of the school day at the front desk. After a device is taken from a student the second time and thereafter, a parent/guardian must pick up the device in the office the following school day.

After a device is taken from a student more than two times, a disciplinary referral will be added for each instance following.

### **CHANGES IN STUDENT INFORMATION**

It is imperative that the school office be notified immediately of a change of address, home or office telephone number, or of a change in emergency information during the academic school year. Please request a change of address form from the data manager to assure the change is made in PowerSchool.

### **COMPUTER USE POLICY**

At MAMS, students who have turned in an Internet Use Agreement will be allowed to access the Internet. When you use the computers, you have a responsibility to use them correctly. This means that they should not be used to access or create materials that doesn't belong at school. This includes, but is not limited to, images and messages that are sexually explicit, grotesquely violent or seek to demean or harass others. Please be aware that the privilege of computer use depends on your ability to use them correctly. You may lose that privilege if you are unable to act responsibly.

All laptop computers are the property of R. Max Abbott Middle School and Cumberland County Schools. Laptops are for students' academic use during the school year. Students are held responsible for damages to laptops assigned to them by the school. These laptops are to be handled carefully. Satisfactory settlement will be required for damage to laptops. **Students who visit gaming sites or inappropriate sites at school will have their school technology privileges taken for up to 45 school days per incident. Disciplinary action may be taken for each incident.**

R. Max Abbott Middle School uses the Impero workstation monitoring system to assist teachers in monitoring student computer use. **Any student found tampering with, disconnecting from, or altering the system will have disciplinary action taken.**

### **DISCIPLINE PLAN**

Positive Student Behavior is the goal at R. Max Abbott Middle School. The grade levels have different reward systems in place for students. Students may earn privileges or rewards for positive behavior, to include team day celebrations, free seating at lunch, tech-time, etc. However, occasionally students do not respond to positive incentives and a disciplinary action is required.

Each time a student moves through this process, they will begin again after Step 4 has been completed. Each step must be recorded on the Interventions and Referrals Form.

Step 1: The teacher will give the student a verbal warning and contact parent(s) if needed.

Step 2: The teacher(s) will conference with the student. They will discuss what is happening, how to fix the issue, how to avoid the issue, and any next steps. The teacher will refer the student to the guidance department, as needed. Contact with a parent is suggested at this level.

Step 3: The teacher may use other interventions including moving the student's seat, or a change in the rotation on the team, or silent lunch, if needed. The teacher may issue a team time-out to the student. *During this step, the teacher or team will contact the parent(s) and set up a parent-teacher conference with the teacher or team.* A student should have had team time-out at least two times before an administrative referral is made (for minor infractions).

Step 4: A referral will be made to the grade-level administrator to issue a disciplinary action. At this time an administrative hearing will be held to determine the appropriate consequences. (Team time-out, in-school suspension, out of school suspension, or referral to an alternate placement setting)

**\*\* Severe actions will result in an immediate referral to an administrator.**

Students assume a curled position and cover their heads during a tornado drill.

**GOOD CONDUCT**

One of the most important lessons education should teach is discipline. It is the training that develops self-control, character, orderliness, and efficiency. It is the key to good conduct and proper respect for self, other people, and property. All R. Max Abbott Middle School students and staff have the right to expect to be able to learn and teach in an atmosphere free from unreasonable and unwarranted disruptions. We value our class time and our activity time.

Each student is required to enter class prepared with pencils, pens, paper, textbooks, and all class-related materials necessary for each class. Non-instructional items are not permitted at school unless directed by a staff member.

Assignments, both class work and homework, are necessary components of the curriculum at MAMS. Students must complete and turn in these assignments in a timely manner. Assignments should be the work of the individual, copying another student's work or plagiarisms are honor code violations and may result in an office referral. Students should utilize their handbooks for all assignments.

In order to maintain a positive academic environment conducive to high standards in teaching and learning, students will be accountable for responsible, respectful behavior. Students must

adhere to the rules contained in the Cumberland County Schools Student Code of Conduct, and the R. Max Abbott Middle School student handbook.

If changes or additions to the rules occur, all concerned parties will be notified through announcements and/or written handouts and will be held responsible for knowledge and compliance thereof.

R. Max Abbott Middle School will participate in the Positivity Project this school year to encourage students to build positive relationships. Each week we will have a different character strength to build upon.

Students required to take oral medications during school hours must have an official physician's medication form properly completed and on file in our office. This medication form requires written instructions, student's name, name of drug, dosage, time of day medication is to be given, and signatures of the physician and parent. Parents are responsible for transporting to and from school all medicines to be administered by school personnel in a container properly

labeled by the pharmacy or physician. The pharmacy label on the bottle must match the physician medication form exactly. All medication must be kept in the office. No student is to have any medication(s), whether prescription, or over-the-counter drugs in his/her possession at any time during the school day.

However, if a student has an emergency self-medication authorization form on file with the office to self-carry an asthma inhaler or an EpiPen, then that student may have that item in their possession at all times.

### **MESSAGES**

In order to preserve valuable instructional time and to promote the safety of our students, personal calls and messages to students will be allowed only in an emergency. Pre-planning is essential. Students with outstanding obligations (lost or damaged books, fundraising money owed, etc.) will be restricted from participating in co- or extra-curricular activities (i.e. field trips, special programs, field day activities, celebration day events, dances, etc).

### **PARENT PORTAL**

Keep track of your child's attendance and grades by accessing the parent portal at <http://www.homebaseportal.ccs.k12.nc.us/>. You will receive sign-in information from your child's homeroom teacher or may ask for a copy of this information at the front desk.

### **PERSONAL PROPERTY**

Personal items are the responsibility of the students. Please leave valuables (cell phones, jewelry, electronic equipment, cameras, large sums of money, etc.) at home. Books and personal items should be safeguarded. Special care must be given to securing band and orchestra instruments. Never leave these instruments unattended. Never leave books, pocketbooks, etc. unattended on bleachers, steps, or in desks. Please ensure your name is on all your property.

### **PHYSICAL EDUCATION**

Physical Education is a required class. Students are required to dress out for participation. "**Dressing out**" means changing from your school clothes into appropriate clothing for physical activity and changing back into your school clothes after class. To be successful in physical education class it is imperative that you dress out and participate in each class. The items that you need are as follows:

**T-Shirt** – A clean, plain white or light colored pullover shirt. Tank tops and half shirts will not be permitted.

**Shorts** – A clean pair of athletic shorts that are acceptable in length and fullness for freedom of movement, but will stay in place without being held by the hand or a belt. Shorts made of denim or other heavy material with zippers or belts are not appropriate.

**Pants** – Sweat pants or jogging suits may be worn during cold weather days at the teacher's discretion. Coats, hoodies, and heavy jackets are not acceptable.

**Socks** – Clean athletic socks.

**Shoes** - Rubber-soled tennis shoes. No open-toed shoes, boots, or other casual shoes will be allowed.

Students may purchase a MAMS P.E. uniform for \$20.00, but they are NOT required.

We will not allow any student to dress in a manner that distracts others from learning, is offensive to others, or violates health or safety requirements.

### **PUNCTUALITY**

Promptness to school and class is very important! Students are to be in their seats and ready to work at the beginning bell for class. **Students who arrive at school after classes are in session must report to the school office with a parent/guardian to sign in and secure an admittance pass to class.**

A student is tardy to class if they are 5 minutes or more late for class and do not have a note from the previous teacher or from the office. Students who do not report to class and are more

than 10 minutes late to class may be reported as skipping. Skipping classes will be an automatic office referral.

### **QUESTIONS – WHO TO ASK**

Ms. Carla Crenshaw serves as our Principal. She will visit classrooms regularly and meet with students both individually and in groups about data and student progress. She will have a principal's round-table meeting quarterly to gain input about the school from the students' perspective. She is always available to meet with students regarding concerns or needs.

Ms. Naomi Pyle serves as an Assistant Principal. She handles all of the 8th grade and the seventh grade Tropics team discipline. She also serves as our school's testing coordinator, custodians and grounds, and accident reports. She is always available to meet with students regarding concerns or needs.

Mr. Scott Witherow serves as an Assistant Principal. He handles the seventh grade Islander team and all of the 6<sup>th</sup> grade discipline. He also serves as our athletic director and oversees the bus transportation, bus drivers, and all field trips. He is always available to meet with students regarding concerns or needs.

Ms. Sherrill Wint will serve as our Safe Schools Coordinator. She will assist the administrative team as needed in disciplinary concerns. She will monitor lunches and be available for student issues.

Students who have questions or concerns may speak with any of their teachers at any time. We also have a wonderful Student Support Team made up of our two school counselors, Ms. Leticia Westlake and Ms. Lola Widman, and Ms. Brandi Bragg who serves as our school social worker. They are available to all of the students at Max Abbott Middle School each and every day. Our counselors and social worker assist with peer mediation, problem solving, attendance issues, assist students and their families in gaining community resources, work with families who are homeless, and look out for the general needs of the students.

Front Office Staff you may need to know: The receptionist is Ms. Letricia McBride; the bookkeeper is Ms. Shannon Prentice; the data manager is Ms. Cherrell Ray, the discipline clerk is Ms. Yelitza Hayes; and the medicine clerk and principal's secretary is Ms. Angela Morgan.

### **REPORTING INFORMATION-RED LOCKERS**

If you have information you would like to report, please speak with any of your teachers, any staff member, your assistant principals, or your principal. However, if you would like to report anonymously, you may do so by writing a note and placing it in the RED LOCKER on your grade level. These lockers will be checked daily. The locker in A Commons is #29; the locker in C Commons is #734; and the locker in the 8<sup>th</sup> grade is #120.

### **SEARCH AND SEIZURE**

#### **A. AUTHORITY TO CONDUCT SEARCHES AND SEIZURES**

School officials have the authority to conduct reasonable searches and seizures in accordance with this policy for the purposes of maintaining a safe, orderly environment and of upholding standards of conduct established by the board or school. Any school official carrying out a search or seizure is expected to be knowledgeable about the constitutional rights of students and the appropriate procedures for conducting the search or seizure. Searches shall not be

conducted to deliberately embarrass, harass or intimidate a student. A search of a student is lawful if there are reasonable grounds for suspecting that the search will turn up evidence that the student has violated or is violating a specific law or school rule. A search of a student is permissible in scope when measures adopted are reasonably related to the objectives of the search and not excessively intrusive in light of the age and sex of the student and the nature of the infraction. Reasonable suspicion is not required if a student freely, voluntarily and knowingly consents and agrees to the search of his or her person or personal effects.

Reasonable suspicion must be based upon specific and articulable facts, which may be garnered through information from faculty members, reliable students, law enforcement officers or other credible sources, or upon visual or other evidence (e.g. the smell of alcohol or marijuana, an alert from a metal detector or drug dog).

If a lawful search yields illegal contraband, such materials will be seized and turned over to the proper law enforcement authorities.

A student's failure to permit reasonable searches and seizures as provided in this policy will be considered a violation of the expected standard of behavior, and appropriate consequences may be imposed.

## **B. SEARCHES OF PERSONAL EFFECTS**

Any of a student's personal effects, including purses, book bags, outer clothing and wireless communication devices may be searched whenever a school authority has reasonable grounds for suspecting that the search will turn up evidence that the student has violated or is violating a specific law or school rule. The scope of the search must be reasonably related to the objectives of the search and not excessively intrusive in light of the nature of the infraction.

## **C. DESK/LOCKER SEARCHES**

Student desks, lockers and other school-owned tangible property and equipment are school property and remain at all times under the control of the school. However, students are expected to assume full responsibility for the security of their desks and lockers. School owned property and any other items or equipment issued to the student may not be used to store illegal, unauthorized or contraband materials. Periodic general (suspicionless) inspections of desks, lockers and other school-owned equipment may be conducted by school authorities for maintenance or health/sanitation reasons or for any other reason consistent with board policies or school rules at any time, without notice, or consent, so long as such searches are conducted pursuant to established procedures and in a nondiscriminatory manner.

## **D. SCHOOL COMPUTERS AND OTHER ELECTRONIC DEVICES**

School-owned computers and electronic devices and any data they contain remain under the control of the school and are subject to inspection at any time. Computers are time stamped through the student login process. Any damage to computers (broken screens or keys) will be the financial responsibility of the student assigned and using that computer. Students will be assigned one computer to use in all of their core classes. They will be the only person assigned to that computer and will be responsible for the care and safety of their assigned computer at all times.

## **SCHOOL EQUIPMENT AND PROPERTY**

Extreme care should be taken in the use of all school equipment and property. Microscopes, band and orchestra instruments, physical education equipment, textbooks, computers, lockers, and even chairs and desks should be used with proper care. You may be held responsible to pay for damages to school property assigned to you which has been negligently abused.

## **SCHOOL HOURS**

School hours are from 7:30 am until 2:40 pm each day. Students should **NOT** arrive earlier than 7:00 am or remain on the campus later than 2:55 pm unless they are participating in a supervised activity.

**THE SCHOOL DOORS WILL NOT OPEN UNTIL 7:00 am EACH SCHOOL DAY.**

**Supervision WILL NOT be provided for students prior to 7:00 am or after 2:55 pm.** Parents who continuously do not abide by these guidelines, and allow their students to be at school long before and/or after school, may be referred to a child protective agency.

## **SICK STUDENT**

If a student is sick, the classroom teacher will give them a hall pass to visit the main office. Students will speak to the reception and ask to use the sick phone to call their parent(s). The student will sign-in on the sick log and then call their parent(s), the student will then return to class until a parent can pick them up. If the student is vomiting, they will wait in the side office for a parent to pick them up.

## **STUDENT DROP-OFF AND PICK-UP**

Students who are car riders will be dropped off/picked up each day at the sidewalk area in front of the school. At no time may students be dropped off/picked up from a vehicle parked in the parking lot. However, an adult may park and walk to the sidewalk to get their child and walk them back to the parked vehicle. Students are not to be dropped off/picked up at the bottom of the entrance hill on Winding Creek or on the roadway on Executive Place. The safety of all of

our students is very important and enforcing these drop-off and pick-up routines will help make the drop-off and pick-up times safer for all of our students.

The School doors will not open until 7:00 am each school day. Supervision WILL NOT be provided for students prior to 7:00 am or after 2:55 pm. Parents who continuously do not abide by these guidelines, and allow their students to be at school long before and/or after school, may be referred to a child protective agency.

### **STUDENT WORK - GRADING POLICY**

Student progress is evaluated in a number of ways including projects, homework, daily assignments, and tests both teacher-made and standardized. Failure to do projects, presentations, and performances will result in a reduction of one letter grade from the original grade for each day late. After five days, no credit will be given for these assignments. All student work is expected to be completed in a timely manner.

No homework assignments can be worth more than **15%** of a student's grade for each marking period nor can homework determine a student's status of passing/failing of a class.

#### **CCS grading categories:**

##### **Social Studies, English, Math**

CCS-Tests/Projects

CCS-Quizzes

CCS-Classwork/Homework

##### **Science**

CCS-Tests

CCS-Labs/Projects

CCS-Quizzes

CCS-Classwork/Homework

The use of these categories is required and these are the only categories that should be used. Same courses within the building will have the same weights for categories (i.e all 7<sup>th</sup> grade ELA uses the same weights for each category).

MATH & ELA should have a minimum of 20 grades by the end of each grading period. SCIENCE & SOCIAL STUDIES should have a minimum of 15 grades by the end of each grading period. ELECTIVES - ARTS/COMPUTERS/PE should have a minimum of 10 grades by the end of each grading period.

### **STUDENT WORK - HOMEWORK**

Students will have approximately 10-15 minutes of practice work (per teacher) per day. Projects and long-term assignments are not included in this time frame. Students should utilize the 30 minutes before school to complete practice work. Students who are unable to complete their practice work during these times will need to take it home as homework.

### **STUDENT WORK - MAKE-UP ASSIGNMENTS**

Students are responsible for securing make-up assignments for absences on the day they return to school. All work missed due to a lawful absence must be made up within five school days upon the student's return to school. Assignments that are not made up will be reflected in the student's grade. A student who is present when a test is announced is expected to take the test as scheduled or upon returning to school.

In laboratory classes such as cultural arts, physical education, computer technology, and science, which do not lend themselves to make-up work, the teacher will determine the make-

up procedure. It is anticipated that make-up work (including tests) will be completed outside the normal class time.

### **STUDENT WORK - LATE WORK**

Students will be responsible for submitting all assignments, to include performances, presentations, and projects, on the due date determined by the teacher. Failure to do so will result in a reduction of **one letter grade** from the original grade for each day late. This does not apply to homework or daily class work assignments. These assignments must be turned in on the due date. Work submitted more than five school days after the due date will receive no credit.

### **TARDY POLICY PROCEDURES**

Hall passes are located at the back of this student handbook. If a student arrives to class late without a hall pass, the consequences will be as follows:

1<sup>st</sup> offense – Warning

2<sup>nd</sup> offense – Silent lunch (1 day) and parent contact

3<sup>rd</sup> offense – Entry on Google Docs Incident Form

**NOTE: This Policy does not include Late Check-Ins: Please refer to the attendance section of this handbook.**

**MAMS Definition of Skipping:** Any student who is not in class for more than 10 minutes after the class start time and returns to class without a pass is considered skipping. A student in an unauthorized area of the school without a pass or permission is considered skipping class.

### **TRANSPORTATION SCHOOL BUSES**

School bus transportation is only available to R. Max Abbott Middle School students residing in our attendance areas. To ensure the safety of all passengers, students must adhere to the following while riding the bus:

- Students shall stay in their seats and face forward.
- Students shall refrain from throwing waste paper on the floor of the bus.
- Students shall not consume food or drinks on the bus.
- No part of the body shall be extended through the bus window at any time.
- Students must be quiet while the bus is stopped for railroad crossing.
- Students shall not open the emergency door unless an emergency exists.
- Students must sit in assigned seats at the discretion of driver or administrator.
- Students are liable for all damages to school property.

**Students may not ride a bus not assigned to them unless prior approval is received from the administration. Non-bus students may not not ride a bus at any time.**

School bus transportation is a privilege. Students who do not follow the above rules, may be suspended from riding the school bus. Bus suspensions may vary from 1-5 days, 10-15 days, or for the remainder of the year, depending upon the type of violation and the number of prior violations. Questions about bus transportation, safety questions, or bus suspensions should be directed to Mr. Scott Witherow, Assistant Principal.

### **PRIVATE VEHICLE**

To provide for the safety and proper supervision on campus, students **should not arrive before 7:00 am and must be picked up by 2:45 pm** each school day.

If an emergency should cause a delay in pick up, parents/guardians should telephone the school so that supervision can be arranged. Students remaining after school for scheduled supervised activities **must have pre-arranged transportation** for departure at the announced ending time.

### **VISITORS**

Our school policy is to welcome only visitors who have legitimate business at school. Guests and visitors must report to the main office and sign in for authorization before proceeding through the school to volunteer or attend events or conferences. All volunteers must complete the CCS volunteer form, found on the CCS website, before they will be permitted to volunteer in classrooms or on field trips.

Students may not bring visitors to school to attend class.

Parents are also encouraged to make appointments to see their child's teacher(s) during his/her planning time so that all teachers will be given the opportunity to attend.

### **VOICE LEVELS**

Students and teachers at R. Max Abbott Middle School should be respectful of the events of the school and demonstrate appropriate voice levels as they move about the building. Voice Levels: Level 4 – Outside Voice (appropriate outside and/or during PE activities in the gym);

Level 3 – Presentation Voice (appropriate when speaking in front of the class, during a presentation, or when asked to read aloud in class);

Level 2 – Normal Voice (this is the voice level that is used the most. It is appropriate during group activities, during lunch, or interacting within the classroom with the teacher/students);

Level 1 – Whisper Voice (appropriate when doing partner work or when asking questions when others are engaged in quiet activities);

Level 0 – Silent Voice (at this level there should be no talking or whispering, it should be silent).

We are at Level 0 when changing classes in the main building, as we enter and exit assemblies and awards programs.

Examples of voice levels:

Entering and exiting the school building: Level 0 or Level 1; Working in a classroom, while completing a test/quiz: Level 0; Working in a classroom, while conducting a science experiment (2-3 people): Level 2 or Level 1; Classroom discussion or lesson interaction: Level 2 or Level 1; Working on a project with a group of students: Level 2 or Level 1; Entering and exiting elective classes: Level 0; Moving through the building with class or individually: Level 0; Visiting the restroom: Level 0 or Level 1; Presenting a project to the class: Level 3; Standing in a line: Level 0; Participating in a school pep rally: Level 4
