

# NOSE PROBLEMS

## OBJECT IN NOSE

Is object:

- Large?
- Puncturing nose?
- Deeply imbedded?

**YES OR  
NOT SURE**

**NO**

Have student hold the  
clear nostril closed while  
**gently** blowing nose.

Did object come  
out on own?

**YES**

**NO**

**If there is no pain,  
student may return  
to class. Notify  
parent or legal  
guardian.**

**If object cannot be removed easily,  
do NOT attempt to remove.**

**Contact  
responsible school  
authority & parent or  
legal guardian.  
URGE MEDICAL  
CARE.**
