SUBJECT: **ADDENDUM No. FOUR - IFP 173-23074 – Front End Loader and Side Loader Type Refuse and Recycling Removal Service Contract – FINAL QUESTIONS, ANSWERS AND CLARIFICATIONS – Number of pages - 3.**

PLEASE NOTE THE FOLLOWING QUESTIONS, ANSWERS AND CLARIFICATIONS:

Question: *Does the County get any rebate on the recycling material?*
Answer: No, not at this time.

Question: *You mentioned in the last addendum that serviced is reduced in the summer. Is an exact service decrease schedule available?*
Answer: No, an exact service decrease schedule is not available. Service frequency varies from week to week depending on camp schedules and locations.

Questions: *In reference to the annual price increase the IFP is vague.*

- 1. We would request an annual CPI based Water, Sewer and Trash index without a cap.*
- 2. Any landfill or post collection recycling sites that have a rate increase would be passed through to the County.*
- 3. Can we add language in reference to escalating fuel costs and a surcharge?*

Answer: Price adjustments, up or down, must be mutually agreed upon and are not automatic. Please refer to the General Conditions of the Contract. You are welcome to include these in you **Proposal**.

Question: *If a container is overflowing, can we charge for extra yards?*

Answer: We do not have a provision for being charged by the yard in the current contract. By all means, please address this in your **Proposal**, and address the details of how charges are determined.
