PROJECT LEAD THE WAY

PLTW

Courses May Include:

- ◆ Health Science I
- ◆ PLTW/Principles of Biomedical Science
- ◆ PLTW/Human Body Systems
- ◆ PLTW/Medical Interventions
- ◆ PLTW/Biomedical Innovation
- ◆ Health Sciences II
- ◆ CTE Advanced Studies

The Academy of Health Sciences offers:

- ◆ ProjectLeadTheWay; curriculum that provides a rigorous and relevant STEM Education
- ◆ A comprehensive and intensive program designed to prepare students to enter post-secondary programs in healthcare.
- ◆ Opportunity to earn certification in CNA I & II and Basic EMT through FTCC High School Connections.
- ◆ Advanced Studies provides opportunity for students to spend 65-75 hours in a clinical internship mentorship.

Students can earn college credit for PLTW classes.
