

Cape Fear High School

FFA Academy of Agriculture and Natural Sciences

Agriculture Education Department

Are you interested in a career in agriculture?

Opportunities abound in the Agriculture Education Department. Choose a pathway from the areas of Horticulture, Animal Science, Environmental and Natural Resources, or Agriculture Mechanics. Through a partnership with Fayetteville Technical Community College and Sampson Community College, students can also attend college classes at the Horticulture Education Center adjacent to the Cape Fear Botanical Garden.

Are you interested in competition?

Do you ever wonder, "How will I ever use this in the real world?"

Career Development events are the answer. Get involved with our FFA Career Development Teams such as:

- Envirothon
- Parliamentary Procedure
- Introduction to Horticulture
- Creed
- Extemporaneous Speaking
- Quiz Bowl
- Tool ID
- Land Judging
- Job Interview
- Agriscience Fair
- Horse Judging

Course Offerings:

- Agriscience Applications
- Animal Science I
- Animal Science II
- Horticulture I
- Horticulture II Honors
- Horticulture II-Landscaping
- Environmental & Natural Resources I
- Environmental & Natural Resources II Honors
- Advanced Studies

FTCC and SCC Courses

Students have the opportunity to earn up to 12 hours of credit in the Horticulture Technology program at FTCC and Sampson Community College.
