

CHOICE PROGRAMS GUIDE

2021–2022

EXPLORATION

Cumberland County Schools (CCS) is committed to providing access to engaging learning opportunities that prepare all students to be collaborative, competitive, and successful in a diverse society. CCS is proud to provide a variety of innovative educational options for families through Choice Programs. Choice Programs are uniquely themed concepts implemented at select schools throughout the school district. These programs are tailored to meet the diverse needs of students while challenging them to grow personally and excel academically. All students have an opportunity to participate in a Choice Program based upon seat availability. We encourage you to exercise your power of choice with CCS by exploring all of the programs available to students and select the program that best matches your child's interests and future goals.

SELECTION

If you are interested in learning more about CCS' Choice, please follow the steps below:

- Attend the Virtual Choice Fair on November 14, 2020 from 10:00 am to 1:00 pm.
- Review the programs in the Choice Guide and visit the CCS' Choice website at choice.ccs.k12.nc.us.
- Participate in information sessions for the Choice Programs you are interested in learning more about.
- Apply to the Choice Programs of your preference during the application period, November 16, 2020 – January 22, 2021.

APPLICATION

1. Visit <https://ccsncc.scribborder.com/> to access the application portal.
2. Create a student account on the Family Dashboard.
3. Follow the instructions to complete and submit the application by the deadline.
4. You may submit an application for more than one Choice Program, but will only be able to accept a seat at one school.
5. You will receive emails from scribonline@scribsoft.com to notify you of the status of your application. Read those emails carefully as additional information may be required.
6. Access your Family Dashboard on February 29, 2021 for notification of application status.

STUDENT ASSIGNMENT GUIDELINES

Students currently assigned to a Choice Program will remain assigned to that program unless a Choice Program exit intent form is completed and submitted to the Student Assignment Office. These forms will be mailed to parents. Completed Choice Program exit intent forms must be received in the Student Assignment Office by January 22, 2021, if you no longer wish for your child to remain in their current Choice Program assignment.

Once a student is enrolled in a Choice Program, he/she will not be able to transfer to another school during the school year. Exceptions to this policy must be requested in writing and approved by the Superintendent/Designee. If you have questions regarding the status of your application or placement, contact the CCS' Student Assignment Office at 910-678-2616.

No student or employee in the CCS shall, on the basis of age, gender, race, religion, national origin, marital status, or handicapping condition, be denied the benefits of, or be subject to discrimination under, any educational program or activity.
