School Song

On a hill a lofty majesty
That towers above the Cape Fear's flow
A pine tree sings a song I love
To storm's or zephyr's blow Oh!
Pine Forest, they name is music
Thy heart's pure gold and thy soul's a flame
Oh! Pine Forest, thy crown of gladness
Is sons and daughters who bear high thy name.

Greetings from Administration

As your administrators, we take great pride in welcoming you to Pine Forest High School. Our goals for this year are to provide strong instructional leadership, a positive school climate, a safe and orderly environment, and high expectations for all students with a strong academic program. Believing that all students can learn, we are committed to student success. We encourage students and parents to accept ownership in our goals and know that Pine Forest High School exists for you. Please accept our best wishes as we continue our journey towards improvement.

Academic Concerns

All concerns and questions regarding academics should be directed first to the teacher of the course in which you have concerns. If the concern is not addressed satisfactorily, the concern or question should be directed to the appropriate Assistant Principal. All athletic concerns must be directed to the Athletic Director. All non-academic concerns should be directed to the student's grade level administrator or school counselor as listed in this document.

Attendance Policy

Regular school attendance has a direct positive effect on academic success and achievement. Students who record frequent, excessive absences and tardies limit contact with teachers and the daily instruction which takes place in each classroom. We want each student to be successful in his/her efforts. We believe that regular school attendance makes a significant contribution to the possibility of success. N.C. General Statute #115c-378 requires that students attend school 180 days, unless absence is unavoidable. Compulsory attendance Laws for the State of N.C. apply. **A student shall be present at least one-half (50%) of a class period in order to be recorded present for that class.** In order to be considered in attendance, for administrative purposes, a student must be present in the school for a least one-half of the school day or a place other than the school with the approval of the appropriate school official for the purpose of attending a school activity which has been officially authorized under the policies of the Board of Education. Such activities include field trips, athletic contests, student conventions, musical festivals, or any similar approved activity.

Excused Absences are as follows: 1. Legitimate Doctor's note for each day a student is out. 2. Court/Administrative proceedings. 3. Approved educational opportunities 4. Verified funeral proceedings for immediate family members.

Notes must be turned in within five days of the student's absence. No notes will be accepted after a decision has been made on any appeal. Parents/Guardians are encouraged to keep a copy of all documentation. The school will not be responsible for providing this second copy. Special documentation should be turned in within 5 days of the student absence.

Athletics

The faculty and staff of Pine Forest High School believe participation in athletic competition enhances a student's opportunities for academic success. Our goal is to provide a comprehensive program of inner-scholastic competition that promotes and compliments academic excellence, personal accountability, and individual/team goal setting.

NCAA Eligibility Requirements

The NCAA has established a central clearinghouse to certify athletic eligibility to Division I and II institutions. Students, who intend to participate with or without a scholarship as a freshman in college, must register with and be certified as eligible by the NCAA Eligibility Center. Please note that the initial eligibility certification pertains only to NCAA requirements for participation in Division I or II athletics and has no bearing on admission to a particular Division I or II institution. Please note the following:

- It is best to register at the beginning of your sophomore year.
- Register online at www.eligibilitycenter.org. For Division III- Contact your Division III College regarding its policies on financial aid, practice and competition.
- For the latest NCAA Division I or II requirements, go to www.eligibilitycenter.org

Athletic Events

As stated in our school system's policy, each student is responsible for his or her own conduct at all school activities such as games, dances, and programs on the campus and away from the campus. With this in mind, we are requesting that students do the following when attending these activities:

Come on the campus only if you plan to attend the activity; otherwise, there is no reason for your presence at the event. Students attending sports activities should report directly to the activity and leave the campus as soon as the activity is over. Do not loiter in and around the gymnasium, school grounds or the parking lots. There will be no loitering in and around the dressing room areas before, during or after contests. These areas are reserved for coaches,

players, and officials or other individuals as approved by the principal. **Anyone found loitering in the building before or after school is subject to receive a “NO TRESPASSING” letter. It is your responsibility to arrange a ride in advance.**

Telephones are not available after athletic contests. Please notify parents before leaving home as to what time they may pick you up. **Any student not picked up for any after school activity within 30 minutes of the completion of the activity will not be allowed to participate in future activities for the remainder of the school-year.**

Also, please be reminded that all other rules and regulations affecting student conduct are in effect at any school connected activity on or off the campus. If a student is suspended from school, he or she is not allowed to attend an athletic event while serving a suspension. The CCS Student Code of Conduct still applies to all CCS sponsored athletic events.

Tickets can be purchased online at Home Town tickets (ccs.hometownticketing.com) for PFHS athletic events.

Athletic Signings

Signing days will occur during the Spring Semester of each Academic School Year through the athletic director.

Books

Books are not to be left in the halls, on top of lockers, in the gym, in the restroom, or in the lunchroom. Books are the responsibility of those students to whom they are assigned. We will adhere to a lost/damage textbook fee policy. **The only secure place while at school is a locked locker.** Once a student is issued a book, the book becomes the sole responsibility of the student.

Book bags

In an effort to do all that we can to assure the safety of students, we restrict the use of book bags, large purses or other similar items used for transporting books, gym clothes, athletic or band equipment to class **unless they are clear or mesh. Absolutely, no solid book bags will be allowed.**

Any solid athletic bag must be kept inside a coaches office or remain within the confinements of a team locker area. They will not be permitted to be carried around school. Purses holding books, notebooks or any other item in similarity will be considered a book bag. Students are required to secure valuables in their lockers with a school issued combination lock. Any student who refuses to comply with this rule will face disciplinary consequences.

Bus Transportation

School buses are a means of transportation provided by the state of North Carolina. Students who ride the bus are expected to conduct themselves in an orderly manner at all times. Students may not ride a bus not assigned to them or get dropped off at another stop that is not the students assigned stop. Students who misbehave on the school bus may be suspended from

riding the bus for an indefinite period of time. The administration has the authority to suspend students from the bus for the following infractions to include, but not limited to:

- Delaying the bus schedule.
- Fighting, using profanity, smoking, lighting matches or cigarette lighters.
- Refusing to obey instruction of school authorities to include assignment of seating and noise levels.
- Tampering with a school bus.
- Vaping
- Use of any tobacco or illegal substance
- Refusing to meet the bus at designated stops.
- Unauthorized leaving of the bus when traveling from home to school or vice versa.
- Playing, throwing trash, paper or any other object on the bus.
- Violation of Cumberland County School Board Rules
- Entering or leaving the bus through the emergency door or through windows that are to be used only during emergencies.
- Standing while the bus is in motion
- Hanging out of windows
- Standing in seats
- Refusing to let others sit in authorized seats.
- Crossing the street at the rear of the bus when entering or leaving the bus.
- Failing to observe safety rules and regulations.
- Rude or discourteous conduct
- The bus stop is part of school property. All students must exit the bus and go home. Anything occurring from the bus stop to home may result in disciplinary action.
- Once the bus has been parked and students have disembarked, the vehicle is off limits for all students until the dismissal bell sounds at the end of the school day. The school bus is not a student lounge or a lunchroom.

Suspension from the bus may last from one day through the remainder of the school year, depending on the nature of the offenses. All Pine Forest rules for student behavior apply while riding the bus. Pine Forest High is not responsible for lost or stolen items while on the school bus. It is the student's responsibility to keep their belongings secure and with them at all times.

Cumberland County buses have scheduled times of arrival for stops on their routes. On a normal school day students should allow a 10 to 15 minute leeway before and after their scheduled time of pick up. Students must be standing at the designated bus stop when the bus arrives. The driver will not wait for late students. Please allow more time throughout the school year on inclement weather days or when problems may arise due to mechanical issues. Please feel free to call the school if you have any questions. Buses are instructed to follow a set schedule. Students must be at the bus stop within the given window of time and must be on the bus after school no later than five (5) minutes after dismissal in the afternoon. Students who do not meet this time requirement may be denied access to the bus and have to arrange alternative transportation.

On a rare occasion, a bus may have to ride a double route. The school will make every effort to inform parents/guardians if buses are running unusually late. The CCS Student Code of Conduct applies to bus rides.

*****Riding the bus to school is not a right, it is a privilege!*****

Cafeteria

There are designated lunch periods. Students must eat during their designated lunch period. Please observe the following rules while visiting the cafeteria. Failure to do so will result in disciplinary action.

- All food and drink must be consumed in the cafeteria at a lunch table.
- Each student will buy his/her own lunch and may buy only one lunch at a time.
- Students who use free or reduced lunch numbers under false pretenses will be subject to paying for that lunch and may be subject to disciplinary action as well.
- Everyone must dispose of his/her paper, dishes, eating utensils, trash and trays when he/she has finished eating.
- Student behavior in the cafeteria should be based on courtesy and cleanliness. Students who do not conduct themselves as such will be subject to loss of privilege and other disciplinary action.
- Coats, purses, books, cell phones and any item of value should not be left unattended. These items should be locked in a student's personal locker.
- Students may not jump ahead in a food line to buy food, milk or juice.
- Horseplay will not be tolerated.
- Students may not skip in the lunch line for any reason.
- **No prepared restaurant food may be brought on campus during school hours.**
- Parents/Guardians wishing to eat lunch with a student may do so during their child's assigned lunch period on any school day. Parents may purchase a school lunch or bring a prepared lunch from home; **they may not bring restaurant food to the lunchroom.** Parents/Guardians must sign in with the main office to receive a visitor's pass before going to the lunchroom. Parents/Guardians must sit at a separate lunch table with no other students.
- Students must remain in the lunchroom during their assigned lunch period. They are not allowed to enter the classroom halls or go to their locker.
- Cell phone use is permitted, but is limited to listening to music with earbuds, texting, and surfing the web for appropriate content. Phone conversations, pictures, and video recordings are prohibited.
- Students are allowed to eat their lunch in the Trojan Student Lounge. The lounge is a place designed for students to work on school related assignments during their lunch period. However, students must comply with the rules posted in the lounge. Failure to comply with these rules will result in the student not being able to utilize the lounge for the remainder of the school year.
- Students that eat first lunch should report to their 3rd period class first, unless they attend FTCC.
- **Food delivery services are not permitted (i.e. Uber Eats, Door Dash, etc.)**

Care of School Property

Responsible students and good citizens need not be reminded that Pine Forest High School has a good school facility that should be respected in every way and kept in top condition. Defacing or damaging walls, desks, doors, lockers, walkways, books or other school property is a sign of idleness and poor citizenship. Each year money must be spent to refinish, repair, and replace equipment that has been needlessly damaged by irresponsible persons. The facility and equipment should be used appropriately and not abused. At Pine Forest we respect our school

and try our very best to see that it is protected from abuse. Needless to say, anyone who damages or destroys school property will be expected to pay for that property. According to the seriousness of the offense, additional disciplinary action may be taken.

Check-Ins/Check-Outs

Students who arrive to school after 8:30 am must report directly to the main office. **If the student is accompanied by a parent, the tardiness is excused. If, however, the student is not accompanied by a parent, the tardiness is unexcused. Three unexcused tardies will be subject to disciplinary actions.**

Once students arrive on campus during the school day they become the responsibility of the school. Students who find it necessary to leave during the school day must have their parent or guardian's written permission to check out. **An email or phone call is not permitted to check a student out.** This documentation must be turned in to the main office by 8:30 am so that it can be verified with the parent. **Under no circumstances will a student be allowed to meet someone in the parking lot or be allowed to leave the school premises without their parents accompanying them or granting permission. Checkouts are permitted until 3:00 pm daily.**

Confiscated Items

Items that interfere with the learning environment of Pine Forest High School will be confiscated.

A parent or guardian must pick up any item taken from a student. The school will not be responsible for confiscated items. Cellular phones, iPods, iPads, tablets, headphones, compact disc players, walk-mans, stereos, playing cards, etc., are some of the items that students may not display or utilize in the classroom or other "red" zone areas.

- Cell phones/electronic devices and other confiscated items may be picked up from the main office or the student's teacher Monday through Friday only between 3:40 pm and 4:00 pm.
- **Only a parent or guardian may pick-up these confiscated items.**
- Parents may pick up the item on the same day the item is confiscated.

Daily Schedule

At 8:00 am as students arrive on campus, they must report immediately to the following areas:

- Students riding a bus or driving to school that desire to eat breakfast will report to the cafeteria. Only students eating breakfast are to be in the cafeteria.
- Students riding the bus and NOT eating will report to the main gym.
- Students driving cars or being dropped off will report to the gym and will only be allowed to enter the building through the fishpond doors.

Students will not be released from the gym or cafeteria until 8:23 am. Students will not be allowed to loiter in the fishpond area. No student will be served breakfast after 8:23 am unless riding a late bus. Students will not be allowed to roam. Students must stay in one location.

**** Our building will not open until 8:00 am ****

Commercial deliveries to or for students are not permitted. Deliveries of flowers or balloons are not permitted, and deliveries of food shall be limited to lunch items only according to Regulation 5020-R. Students may refer to the CCS Code of Conduct for information about discipline infractions and consequences.

Examples of prohibited messages or images are those which are provocative or obscene, substantially disruptive, or which promote or depict illegal activity.

Dressing Out for Physical Education

Upon arrival at school students must submit a doctor’s note to their PE teacher if that student needs to be excused from taking P.E. on that date. Forgetting your gym apparel, losing your gym apparel or having your gym apparel cleaned are not considered legitimate excuses. Student grading will be affected if the student fails to dress out without a lawful absence.

Students are strongly discouraged from bringing valuables to school. Under no circumstances should teachers be asked to secure valuables nor will they be responsible for any valuables brought to school. Physical Education teachers are not responsible for anything left in locker rooms. Items such as purses, headphones, cell phones, jewelry, shoes, money, etc. should be locked in a student’s personal locker. Students enrolled in a PE class will be able to utilize a locker during their gym period to secure their belongings. Students must have a combination lock and it must be removed each day when the student’s PE class is complete.

Driver’s Eligibility

Upon completion of the Driver’s training class, a student may obtain a Driver Eligibility Form which is needed to obtain a Learner’s Permit from the DMV. Forms are available in the Main Office between the hours of 8:00 am and 4:00 pm, Monday through Friday (Monday-Thursday)

during summer). The Driving Eligibility certificate shows that the student is making adequate progress and has not dropped out of school. In order to obtain the certificate, the parent/legal guardian must be in attendance and present the following items:

- An original or certified copy of the student's birth certificate or military ID
- A Driver Education Completion Certificate
- The parent will be required to sign the Driving Eligibility Certificate in our office

The Driving Eligibility Certificate is only valid for **30 days!** If the certificate expires a new certificate can be reissued by bringing in the old certificate.

Early Dismissal

Students who are regularly dismissed according to abbreviated schedules such as those in FTCC, early dismissal due to less than four class periods or other work programs must leave campus immediately. If a student does not have a ride or is unable to leave campus, he/she **MUST** report to the media center. **Reporting to a teacher, staying in the building, or wandering the halls is not permitted.** If the student continuously has transportation issues, their early dismissal schedule will be re-evaluated.

Cell phones and headphones are not permitted in instructional rooms. They should be immediately put away prior to entering and should remain there for the duration of the class period. Students that do not adhere to this policy are subject to having their phone confiscated for a parent to retrieve. **Failure to comply will result in an automatic short term suspension. A student refusing to give any school official a cell phone or closed book bag will result in disciplinary action.**

Students are responsible for keeping up with their own personal devices. They are strongly encouraged to keep devices at home or in a locked locker.

Emergency Preparedness Drills

Fire, tornado, earthquake, campus intruders and other drills as deemed necessary will be performed regularly. Fire drills at regular intervals are required by law and are an important safety precaution. The fire alarm system will alert all personnel. Students and all staff/faculty members will vacate the building in an orderly manner. There shall be no talking when leaving and returning to the building and students must remain with the class. All faculty/staff members will exit the building. For a tornado drill, a continuous series of three (3) short rings of the bell will signal impending danger. Routes for the nearest evacuation exit are posted in each room. There shall be no talking when leaving or returning to class. Students should remain with the class so the teacher may take attendance. Students are expected to fully comply with directives of school personnel during the emergency preparedness drills to ensure the safety of all students.

Grades/Grading System

Grades can be viewed by parents and students by visiting the school web page and following the link for the Parent Portal. You may request information regarding a login and password from the school data manager. Grade point average calculations are based upon standardization of academic course levels, weighting of course grades, and grading scales. The weighting for Honors courses shall be one – half (.5) of a quality point. The weight for Advanced Placement/International Baccalaureate (AP/IB) courses shall be one (1) quality point.

Grading Scale

A = 90 – 100
B = 80 – 89
C = 70 -79
D = 60 – 69
F = Less than 60

How to Calculate GPA

Take the number of quality points earned and divide by credits earned. Each course that is taken at Pine Forest High School is worth 1 credit. See the table below for the number of quality points.

Quality Points Earned			
Letter Grade	Standard Course	Honors Course	Advanced Placement
A	4	4.5	5

Student Services

Student Services exists for all students in this school. It is a continuous process involving specialized services which help students individually and as members of groups with their life adjustments, problems, and needs. Hall Passes

Each student is required to have a school issued hall pass with an authentic teacher signature when leaving class. The pass must have a time written on it by the teacher. Students are not allowed to write or issue passes. When a student leaves class for any reason, the expectation is that the student reports to the specific location designated on the pass. Students are expected to return to class within a reasonable time from the time the pass was issued to the student. If a student does not return within a reasonable time or goes anywhere other than the specified designated location, the student will be charged with disruptive behavior and will receive disciplinary consequences.

- Example: If a student is assigned a pass to go to the main office and the student is found in the gymnasium, the student would not be in the specified designated location and would face disciplinary consequences.
- Example: If a student is assigned a pass to go to the restroom and returns to class an hour after the pass is written, the student will be written up for not returning within a reasonable time and will face disciplinary consequences.

Students are expected to be in class at all times. Students should not be out of class without a valid pass from his or her teacher.

Health Services

No student should be out of class for health reasons without a proper excuse.

At the beginning of each school year, the homeroom/classroom teacher will check to see that each student has returned a completed Student Information/Verification of Address form. **Each homeroom/classroom teacher will screen all Student Information/Verification of Address forms for those which indicate a medical problem.**

Any Student Information/Verification of Address form which indicates a medical problem will be submitted to the principal and kept in the office for easy accessibility to the nurse or other school personnel needing to refer to same.

It is the responsibility of the parent and/or guardian to:

1. Notify school officials in writing of the medical condition of the child and keep this information current.
2. Provide to the school the medication in an appropriate labeled container which includes the child's name, the name of the medication, the unit dosage to be given, the member of dosage units, the time the medication is to be given and the appropriate storage facility, i.e. refrigerated or non-refrigerated.
3. Provide the school with instructions to be kept on file from their child's medical provider for actions to be followed in case of emergencies related to specific medical problems such as bee stings, epilepsy, diabetes, etc.

Locks and Lockers

A locked locker is the **ONLY** secure place a student has to keep personal items. **NEVER leave your belongings unattended.** Lockers are supplied by the school and are assigned to students by their homeroom teachers. If students elect to use a locker, students are required to purchase a new lock at a cost of \$5.00; a used lock will cost \$3.00 from Pine Forest High School. No personal locks will be allowed. This lock may be used for the full time at Pine Forest High School. Lost locks must be replaced with school locks. Students who have problems with their locks and or lockers should check with their homeroom teacher and make sure they have the correct combination, and check the serial number against the combination. If the lock still fails to open, contact the main office. All students are responsible for the operation of their locks and any items found within their lockers. Only combination locks purchased from the school may be utilized. **ITEMS FOUND IN UNLOCKED LOCKERS MAY BE CONFISCATED.** No students may share a locker with another student. Unlocked lockers will be cleared periodically by custodial personnel.

It is the student's responsibility to ensure that the locker is locked securely. The school will not be responsible for items lost from lockers. Students should never give out the combination to their lock to anyone and must realize that this is the only secure place for valuables while on campus.

Loitering

Students are not permitted to loiter on school property after school hours, before school, or on non-school days. Students are not to be on campus before 8:00 am and after 3:45 pm unless involved in extracurricular activities under the direct supervision of a teacher.

Lost and Found

Most items lost/stolen at Pine Forest High occur in classrooms, the gym, the cafeteria or the locker room. Students should check with the Safe Schools Coordinator if they feel they have lost something. The lost and found is located by the gymnasium.

Your property is your responsibility. In addition, you are reminded that sharing a locker is not permitted and increases the chances of your losing books and/or personal items.

Items found on the campus of Pine Forest will be maintained for a period of 30 days. Should a student discover they have lost an item, they should contact the safe schools coordinator within that time period. After 30 days these items will be discarded.

Make-Up Work

Make up work will be available when a student is absent. **Responsibility for requesting make-up work is the student's responsibility. Student must email their teacher for missing assignments. CCS Policy Code 4400D:** Makeup of any missed assignments by an elementary, middle or high school student attending school on a regular schedule must be completed within five school days of the student's return to school. **Makeup of missed assignments by a high school student on a 4 x 4 schedule must be completed within three (3) school days of the student's return to school.**

The following procedure will be followed by each student when he/she has been absent from school:

*An original authentic note will be brought by the student on the day he/she returns from his/her absence. Parents should keep a copy of the note for their own records; the school is not responsible for a second copy. The NOTE must contain the following information:

- 2) Date(s) on which the absences occurred.
- 3) REASON for absence
- 4) Signature of parent or legal guardian.
- 5) Phone number where parent can be located (home & work)

Forged or fraudulently signed notes will be treated as skipping school or leaving campus without permission.

Students should bring a note after each absence. The absence note must be turned into the attendance clerk and it will then be recorded in PowerSchool. Absences beyond 3 days in each class will require the student to make up time at the discretion of the teacher. **Bringing notes at the end of the semester is not acceptable. Notes should be presented within five (5) days of the student's return to school (including physician notes).** Failure to comply will result in the absence being recorded as unexcused. The attendance clerk is located in the main office. **A grade of a zero may be given for assignments not made up within the appropriate time frame.**

Media Center

Students present in the Media Center will be expected to conduct themselves in a quiet and orderly manner. Failure to do so may result in suspension of library privileges. Parent-Teacher Conferences

A school counselor, principal or a teacher may request a conference at any time with the parent/guardian to discuss the progress and problems of the student. Such conferences are highly desirable as they are beneficial to the student, parent/guardian, and teacher. These conferences should be scheduled with the individual teacher. *Please be reminded that parents/guardians cannot visit their child's classroom without prior notice to school administration. School officials will set up a conference or a class visit within a reasonable amount of time.*

Parents may call the school to schedule a conference with a teacher at any time during the school year. The teacher will schedule a time that is convenient to both the teacher and the parent/guardian. *Parent/teacher conferences must be scheduled in advance.*

There are also two scheduled Parent/Teacher conference dates during the school year. Dates will be announced and posted on the school's website.

Parking and Driving on Campus

The privilege of parking a personal vehicle on school grounds may be exercised only after the student has met all the requirements established by the Cumberland County Board of Education and the principal. A person driving a motorized vehicle to school will park it according to regulations in designated areas. **In order for a student to drive on campus, the student must hold a valid driver's license.**

Students who violate any driving and parking regulations are subject to having parking privileges suspended.

- A parking agreement may be obtained from Mrs. Donna Creedmore in the Main Office.
- Each student authorized to drive must display a parking permit on the vehicle at all times. Parking permits will cost \$40.00 at the beginning of school and \$20.00 at the beginning of 2nd semester and can be obtained by completing an application and being approved by the Safe Schools Coordinator.
- Students must park in their assigned space.
- Neither the school nor the school system is responsible for loss due to fire, theft, or accidents relative to personal vehicles on school grounds.

Students are not to be in the parking lot or in parked cars during the school day. Any student who remains in the vehicle after arrival on campus will be charged with loitering and revocation of permit.
- Any vehicle or student must not exceed 10 miles per hour when driving on school grounds.
- Music should not be played loudly in the parking lot.
- Students are not permitted to return to their cars during the school day without special permission from an administrator and must be escorted to their vehicle by the school resource officer or school representative
- Parking permits will be revoked for excessive tardies, skipping school/class, inappropriate behavior, and other violations of school rules.
- Any student found driving on campus without permission is subject to disciplinary action according to the student code of conduct. The charge will be insubordination.
- Students must drive the registered vehicle on his/her application
- Students are to park **ONLY** in the lot beside the auxiliary gym. This is designated as the student parking lot. Students are **NOT** to park in the soccer lot. Failure to follow this will result in loss of privileges and/or disciplinary action.
- **Students are to be picked up alongside the curb in the right lane only. At no time should a student be picked up in the left lane. This lane should always be free moving so that everyone can get off campus quickly. At no time should parents drive on the grass or areas not designated for vehicles. Anyone that continues to do this will be issued a No Trespassing letter from school officials.**

Students with Parking Permits

If a student with a parking sticker accumulates 3 or more unexcused tardies in 1st period, the student's parking sticker may be revoked and said student may face other disciplinary consequences. It is the expectation that students who drive will be on time for school.

Parent Link Calls

The school will utilize parent link to make automated calls to inform parents, guardians, and students about important information. Emergency information is also communicated with this system. Please ensure the correct and most accurate/up to date/current phone number is provided. Contact the data manager if you have questions or concerns.

Searches – Student's Person

The Board of Education authorizes teachers and administrative personnel who have reasonable belief that a student or students are in possession of weapons, illegal drugs or other items harmful to the student or to the welfare of the school family, to search the person of said student(s) under the following conditions:

1. Any search must be done under the supervision of the principal or a member of the administrative team. **No teacher and/or staff member shall search a student himself/herself.**
2. Any such action shall not be taken unless there is a reasonable belief which can be substantiated if necessary.
3. Any such action shall not deliberately be intended to embarrass, or intimidate the student(s).

Reasonable belief on the part of a teacher, principal, or administrator may be based upon information from such sources as faculty members, reliable students, a law enforcement officer, visual evidence or any of these factors.

Search and Seizure – School Property

The Board of Education fully recognizes the application of constitutional law to the area of student privacy with regard to such items as lockers and student desks. However, it is charged with maintenance of such property items and authorized inspection for any maintenance related reasons. With respect to opening student lockers, or desks for other reasons, the following shall be considered applicable throughout the Cumberland County School district:

Desks, lockers, and other equipment at any school belongs to the school district and although assigned to particular students for use, may be entered and searched by school officials whenever said school officials have reasonable belief some substance or contraband is contained therein which is illegal, harmful to the safety of the student or the student body as a whole, or significantly disruptive and/or dangerous to the overall discipline of the school.

Section 504/Americans with Disabilities Act

No otherwise qualified individual with a disability shall, solely by reason of his or her disability, be excluded from participation in, be denied the benefits of, or be subject to discrimination from any program or activity of the school. Qualified disabled students are entitled to a free appropriate public education. Disabled persons who believe they have been subjected to

discrimination on the basis of disability may appeal to the person in the school designated to hear said grievances. If still unresolved, grievances may then be appealed to the school district.

Selling or Soliciting on Campus

No student is allowed to sell any items or to solicit business for the individual or any group for any reason without the express written consent of the building principal.

Senior Honor/Graduation/Award Cord Policy

Please see the PFHS website regarding specific policies and requirements for each organization that issues a cord. Any organization/club that is not listed does NOT issue a cord.

Skateboard Policy

- Skateboards brought on campus will be confiscated.
- Skateboarding is not allowed anywhere on the school campus. This includes before and after school, non-school days, weekends, vacations, and holidays.
- Rollerblades are not permitted.
- All Heelys must have wheels removed.

Smoking

Cumberland County Schools to include Pine Forest High School are smoke-free campuses. No tobacco products to include electronic cigarettes are permitted inside the building or outside school grounds.

Student Accidents

All accidents and injuries must be reported and documented in a timely manner to Donna Creedmore in the main office without exception or to safe schools coordinator!

Student Accident Insurance

A student accident insurance program is available to all students at the beginning of the school year with enrollment in the program offered on a voluntary basis. The premium must be paid by the parent or guardian.

Student Accountability

Freshmen, sophomore, and junior students who fail a course the first semester may not be allowed to retake the failing course during the second semester. An alternative plan for instructional purposes may be discussed with the principal, counselor, and teacher.

Student Schedules

Schedules are developed by the student’s intended pathway; therefore, there will be no schedule changes after the first day of school.

Tardy Policy

Students are expected to arrive at school and to all classes on time. Missed class time means missed instruction. Unexcused check-ins are considered unexcused tardies for 1st period. For

first period tardies only (check- ins), an administrative conference will be held with the student and parent on the third tardy/check-in.

Below outlines our policy:

1st tardy to class- Teacher will warn the student and student will sign the tardy log.
2nd tardy to class- Teacher will warn student, student will sign tardy log and teacher will notify the parent through direct contact.
3rd tardy to class- Teacher will submit a discipline referral to an administrator who will assign the student to ISS.

1st referral-3 days (period only)
2nd referral-3 full days
3rd referral-5 full days
4th time-OSS (2 days each time)

Truancy/Skipping

1st Offense-3 days period only ISS
2nd Offense-3 full days ISS
3rd Offense-5 full days of ISS
4th Offense-OSS (2 days each time)

Hall Sweeps

The purpose of hall sweeps is to instill in the students the importance of time value. We do not wish for students to miss one minute of instruction. When students come to class late this disrupts the instructional environment and rhythm in the class. In the end students lose valuable instructional time. Hall sweeps are intended to help prepare students for the real- world of work, where they will be expected to be at work on time!

It is the student's responsibility to inform his/her parents that they were caught in a hall sweep.

Consequences of Being Caught in a Hall Sweep:

1 st Offense (1 st Hall Sweep)	Warning Issued
2 nd Offense (2 nd Hall Sweep)	ISS 1 Full Day
3 rd Offense (3 rd Hall Sweep)	ISS 3 Full Days
4 th Offense (4 th + Hall Sweep & Subsequent Offenses)	ISS 5 Full Days with the option of OSS

Theft Prevention

The best method of theft prevention is to be conscious of the possibility of theft occurring and strive to eliminate these opportunities. Each student and employee of the school has a responsibility in the area of theft prevention; however, the school cannot be responsible for items that are lost or stolen. Listed below are some suggestions to help prevent theft:

- The best practice is not bringing valuable items to school. (i.e. cell phones, ear phones)
- Never leave anything in a locker that does not have a lock. Never leave cameras, jewelry, money, electronics or valuables in a locker even if it has a lock. This includes gym lockers.

- It is not the responsibility of PFHS Staff to locate or search for your items. Personal property is your responsibility. **DO NOT LEAVE THINGS UNATTENDED!** Your personal property is your responsibility.
- Never leave anything other than clothing in the physical education dressing rooms. Valuables should not be taken to the gym.
- If you are staying after school for a club meeting or practice, the same theft prevention habits you would follow during the school day should be followed.
- Remember: No one steals your lock unless you give another student your combination or you leave it UNLOCKED!

Transcripts

Official transcripts should be ordered online at <https://ccsnc.scribborder.com>. Please allow 10 business days for transcript request to be processed.

Use of Facilities After School

Students will not re-enter the building after the ringing of the 3:40 pm bell unless they are staying after school for approved activities. Students who remain on campus for athletic practices will go immediately to the gym or practice area. All dressing will be done in the rooms provided. Students will also not be allowed to loiter in the school parking lot before or after school.

Any infraction of any of the aforementioned is a serious violation of school regulations. All club sponsors and coaches must remain with students until they have left campus or have been picked up by a guardian. Students must be under the direct supervision of a staff member at all times.

No facilities on campus should be used at any time without consent from a school official. Consent will ONLY be granted when an approved Use of Facilities Contract is on file and all proper payments and documents have been secured.

Use of Restroom Facilities

Students will only be given permission to use the restroom during class in case of emergency. We enforce the policy for protection of class time. Students have several minutes between classes to take care of personal needs. Each teacher will adopt a restroom use policy. No student will be refused admittance to a restroom facility. Teachers will record the amount of time a student is away from class.

Vending Machines

Pine Forest High School will not be held liable for any currency lost in a vending machine located on the school campus. Student use of vending machines is at their own risk. Vandalism of any of the vending machines will result in disciplinary action. On a normal school day, the vending machines may not be used during breakfast and lunch hours.

Visitation Policy

All visitors, regardless of status, must report to the main office and obtain a visitor's permit prior to any visitation on campus. Under no circumstances are students to bring visitors to school with them.

As mentioned in the above policy, we shall not allow visitors on campus who do not follow the proper procedure for securing permission to visit. Proper permission may be secured from the principal or his designee. Those persons needing to visit other offices will be directed from the Main Office.

Disclaimer Statement

No student or employee in the Cumberland County Schools shall on the basis of age, gender, race, religion, national origin, marital status or handicapping condition, be denied the benefits of, or be subjected to discrimination under any education program or activity. All Cumberland County schools maintain high academic standards.

You deserve to be safe.

No one has the right to abuse you or someone you know.
