ABOUT US:

21st Century Community Learning Centers is an after-school program designed to improve academic performance & engage students in quality enrichment opportunities to increase success upon graduation from high school.

We assist students in core subjects (Math, Reading, Science, Social Studies) by providing after-school services to students & their families through community learning centers.

This program reinforces & complements the skills students need for:

- Transitioning into High School
- Decreasing Summer Learning Loss
- Increasing Post-secondary Enrollment
- Preparing for Workforce Success
