COVID-19 DISCLAIMER: All Cumberland County Schools district-level and school-based communications or guidance (e.g., handbooks, websites, social media communications, etc.) are subject to change at any time due to changing COVID-19 conditions and related health or safety guidance.

****Please note that this handbook is a living document and is subject to change based on the needs of the school or the discretion of the school administration or school improvement team.****

Ed V. Baldwin Elementary School

Open House Information:

On behalf of the administrative team, we are excited to welcome you to the beginning of the 2023-2024 school year!

We are looking forward to meeting you at our open house which is scheduled as follows:

Thursday August 22nd: 1st-5th Graders 3:00-5:00 PM

Friday August 30th: Kindergartener Open House

In our open house sessions, you can meet your child's teacher and visit his/her classroom. If you have particular information about your child that you wish to share with the teacher, please fill out the form that will be available in each classroom, or request a parent conference with the teacher. Information about buses, school activities, breakfast/lunch, PTA, etc. will also be provided during the open house sessions.

The first day of school for students in 1st-5th grades is August 26th. Kindergarten students will have a staggered entry from August 26th-August 30th; at the end of the staggered entry period, Kindergarten students will be assigned their teacher for the year. The staggered entry schedule is as follows:

August 26th: Last Name A-E

August 27th: Last Name F-K

August 28th: Last Name L-R

August 29th: Last Name S-Z

August 30th: No School for Kinder; Kindergarten Open House from 8am-10am

September 3rd: All Kindergarten students will come to school and start in their assigned classrooms.

On behalf of the staff, we welcome you to the Baldwin family. We look forward to working with you and your family this school year to help your child succeed. Together, we are sure we will have a very productive year!

ACKNOWLEDGEMENT

This Parent-Student Handbook & Calendar contains important information that will help familiarize you with opportunities and responsibilities that are yours at Ed V. Baldwin Elementary School as a parent, student, or guardian. Please read the handbook thoroughly and discuss its contents with your child, then sign the form below to confirm that you received this Parent-Student Handbook and that you have read it and discussed it with your child.

You may take out this entire page and return it to your child's teacher or cut it off and return only the bottom portion of the page.

.....

I received a Parent-Student Handbook and have read and discussed it with my child

Student's Name _____

Parent's Signature _____

Date _____

Baldwin Elementary School

4441 Legion Road

Hope Mills, NC 28348

Phone: 910-424-0145

Fax: 910-424-7359

Parental Responsibility

I understand that under State Law I am responsible for maintaining correct and current up-to-date information on the Student Attendance/Data Card maintained in the school office. This information includes current phone numbers and addresses along with the names and phone numbers of any and all persons who are authorized by me to pick up my child in my place. It is my responsibility to inform those who may pick up my child that they must have a current Photo ID and that their name must be on the Student Attendance/Data Card.

I understand that leaving my child unattended or allowing my child to arrive on school grounds prior to 7:00 a.m. may be considered child neglect.

I understand that failure to pick up my child after school later than 2:20 may be considered child neglect.

I understand that repeated incidents of early drop-offs and/or late pick-ups may result in reports to Child Protective Services.

I understand that supervision of my child(ren) before and after school hours is my responsibility.

Student's Name: _____

Parent's Signature: _____

Date: _____

You will receive a copy of the Parental Responsibility Form (above) for your child(ren) at the beginning of each new school year. After reading and signing the form, return it to your child's teacher. This copy is to be left in the Parent-Student Handbook for your information.

Absences & Attendance

This year, the CCS is continuing its efforts, with the help of parents, to combat student tardiness in grades kindergarten through 12th. When examining student data, it is noted that some students are repeatedly missing large blocks of instructional time because of tardiness or early check-outs. Many students are being checked in to school one hour late every day. We also have many who are being checked out by their parent/guardian early each day as well.

We need YOUR help because “Every Minute Counts! From start to finish, class time matters.” Being tardy not only impacts the student who is late, but it impacts others in the class. Research shows that every disruption causes a gap in learning for ALL students in the class and can make the difference between a student passing a subject or having to remediate. We not only want to give our children the academic skills they need to succeed in life, but we want to give them another important life skill: being on time!

Tardy/Early Check-Outs:

~Students should be in the building by 7:25 and are considered tardy after 7:30. Students are expected to be in their classrooms ready to learn at 7:30. Students will receive written notice when they have accumulated excessive lates; a meeting will be scheduled if your child reaches 10 unexcused tardies.

~Parents are required to sign their child in when late and walk them to their classroom.

Entrances close at 7:25 and all students have to enter through the front of the school.

~All students leaving school prior to dismissal must be checked out by an authorized person on the student’s contact record. **There will be no check-outs after 1:45 pm.** Picture identification is required for check-out. Students will not be allowed to check out by adults, not on the authorized checklist.

~Students must be present for at least ½ the day to be counted as present; a student must check out at 10:45 or later to be counted as present; a student must check in by 10:45 or earlier to be counted as present.

~According to CCS policy, student check-out prior to dismissal is considered the same as being tardy. Continual check-outs from school may require a parent to attend parent education classes or truancy court.

Absences:

~In the event of an absence, a written note stating the reason for the absence must be sent to the classroom teacher within three days of the student returning after an absence.

~State law allows for only the following reasons to be coded as excused absences: court appearance, death in the family, deployment activity, illness or injury, or medical/dental appointment. Appropriate documentation is required.

~All absences that occur without a note from a parent, must be coded as unlawful.

~All absences and late notes will be kept on file by the homeroom teacher for the entire school year.

Academic Information

Grading:

Parents can review updated grades for their child(ren) through the Infinite Campus online program. Teachers are expected to update the online gradebook at least once a week for grades 3-5. More information about how to access your child’s grades, including the option to receive notifications of grades through text, email, or your mobile app will be available at Open House. Please take

advantage of this opportunity to review your child's progress as needed in between progress reports and report cards. If you fail to find updated grades weekly for your child or you have any questions or concerns please do not hesitate to contact your child's teacher and/or administration for assistance.

GRADING SYSTEM

Students in grades 3, 4, and 5, within the Cumberland County School System, adhere to the following scale of Grade Averages. The grades are based on teacher judgment, student performance, and curriculum guidelines.

Grades 3-5	Grades K-2
A = 90-100	4 = Above Grade Level
B = 80-89	3 = On Grade Level/Proficient
C = 70-79	2 = Below Grade Level/Approaching Proficiency
D = 60-69	1 = Well Below Grade Level/Not Proficient
F = Below 59	

S = Satisfactory
N= Needs Improvement
U= Unsatisfactory

Infinite Campus Parent Portal

Cumberland County Schools (CCS) is upgrading to the new student information system, NCSIS powered by Infinite Campus. This system offers enhanced features for monitoring your child's educational progress with a user-friendly mobile experience. The Campus Parent and Campus Student portals provide real-time access to grades, attendance, assignments, and schedules. These tools facilitate seamless communication between parents, teachers, and students, keeping everyone informed about school activities.

Key Features of Infinite Campus:

- Announcements
- Assignments
- Attendance tracking
- Academic planning
- Fee management
- Food service payments
- Grades and Class schedules
- Document Access
- Messaging and notifications

We are excited about providing you with an easy-to-use, one-stop shop for your child's educational information! **Stay tuned as more information about log-in credentials will be shared soon!**

Homework

~Homework assignments should not be extensive and will be determined by each grade level and will focus on reading, math, and science skills.

~Homework assignments will be sent home or posted weekly. Please check with your child's teacher regarding specific timelines and turn-in procedures.

~Parent support and supervision of homework are extremely important factors in building positive attitudes and study habits which are essential to students being successful in school, as well as later in life.

~If homework appears to be too difficult for your child and/or an excessive amount of time is being spent on homework assignments, the classroom teacher should be notified immediately.

~We expect a lot from children all day at school each and every day; homework is meant to be a short reinforcement. We want children to have the time to be kids, participate in activities, and enjoy time with their families throughout the week as well!

~Reading for 30 minutes daily (independently or with an adult) is an encouraged activity that supports academic success.

Testing

~Students in grades 3-5 are required to participate in quarterly benchmark assessments. Students in grades 3-5 are also required to take the North Carolina End of Grade Test at the end of each school year.

~3rd-grade students will take a Reading Beginning of Grade Assessment during the first six weeks of school. Please note that NC Read to Achieve Legislation requires that all third-grade students score at least a level 3 on the Reading EOG to be promoted to fourth grade. Those students scoring at levels 1-2 may be required to attend summer school. More information about this will come home throughout the school year.

~As part of NC Read to Achieve Legislation all students in grades K-3 are also administered a reading assessment throughout the year to diagnose strengths and weaknesses regarding phonological awareness and reading comprehension. The assessment also provides the teacher with information to guide their instruction. Teachers will also provide check-ins throughout the year to follow student progress.

Student Services

~The Student Services Team at Ed V. Baldwin aims to provide resources and support to students, teachers, and families when a child is struggling in the academic, social, emotional or physical domains. If you ever feel a need to meet with the team, please let your child's teacher know in writing or contact the school counselor.

~The following student services personnel are available at our school: full-time school counselors and school social worker, a school nurse, a Military-Family liaison, a school psychologist, and an Exceptional Children's case manager.

~Students and parents are encouraged to seek out appropriate support as needed.

Success Celebrations

~Success Celebrations will occur at the end of every nine weeks. Recognition will be given to students excelling in academics and other designated areas as determined by the school improvement team and/or school administration. Teachers will send notices to parents of special events at school, by way of their students; information will also be posted on the school's website, calendar, and Facebook page.

~Parents and special guests are encouraged to come to support their student(s) in celebrating successes and accomplishments. Please sign in as you enter the cafe.

Field Trips

~Each grade level will plan field trips that are aligned with instructional goals for the grade throughout the year. We hope to help students make meaningful connections and to have extraordinary experiences.

~All field trip money is due at least one week prior to the scheduled date and all payments are non-refundable. Payment may also be made online at [School Cash Online](#). There is a small convenience fee.

~Parents must fill out a Field Trip Permission Form and return it to their child's teacher with the appropriate fee for the child to attend the field trip.

~Students who do not return a parent-completed Field Trip Permission Form will not be allowed to attend the field trip; they will be assigned to another classroom while their homeroom class is off campus.

~Students must ride the school bus to the field trip location; parents and chaperones will follow the bus in a personal vehicle. Students may not be checked out at the conclusion of the field trip.

Pupil Assignments

Parents should be aware that current pupil assignments are tentative and at the discretion of the principal only. Parents will be notified (if needed) if a need to make a change in classroom placement ever arises. Requests for specific teachers will not be honored but parents can provide input in writing to the front office from April to June; the leadership team will take this information into consideration during the class assignment process.

Arrival & Dismissal Procedures

The classroom instructional day begins promptly at 7:30 a.m., we encourage all students to arrive on campus by 7:25 a.m. **Students who are not in their classroom will be marked tardy after the 7:30 bell rings. Students arriving at school AFTER 7:30 must be signed in at the office by a parent/guardian.**

Please note that Cumberland County Schools' Policy requires parents of habitually tardy students to attend parent education classes, or be referred to truancy court. Cumberland County Schools does not excuse oversleeping, babysitting/caring for siblings, missing the bus, personal hygiene issues, car problems, or living outside of our bussing area. Doctor's appointments will be excused with a note from the doctor's office. Please plan for traffic delays as the roads around Baldwin can be congested in the mornings, especially with the numerous road construction projects occurring in the area. It is a parent's responsibility to ensure children are at school on time. Parents are encouraged to contact Mrs. Kisha McLean, the school social worker, for assistance with tardy issues.

Important Reminders about Arrival:

~There is no supervision available before 7:00 AM. Students may not be dropped off before this time.

~Students choosing to eat breakfast must go directly to the cafe upon arrival. They will go to class after receiving their breakfast.

~Parent drop-and-go is in the circular parking lot on the side of the school until 7:25 AM; this is the unloading zone for parents wishing to remain in the vehicle. Do not leave your vehicle unattended in this area.

~Students may NOT be dropped off at the front of the school for any reason; this area is for bus and daycare vans only with the exception of designated handicapped parents/visitors. Do not leave your vehicle unattended in this area.

~Parents wishing to walk their children into the school must park in designated spaces at the side of the school and enter the building through the main entrance of the school until 7:25.

~After the last bus arrives on campus students will only enter through the E Hall doorway; students arriving after 7:25 will need to enter through the front door. Instructional time begins promptly at 7:30; students must be in class and ready to learn at this time. Students who are not in their classrooms when school begins will be marked tardy. Being in the hallway or the office when the bell rings does not constitute being on time for school.

~Parking in the front drop zone or fire lane is strictly prohibited.

Important Reminders about Dismissal:

~All parent pick-ups will be done through the carpool line located along the side of the school; each student will receive a hanging tag with their number on it; this must be displayed on the front dash of the vehicle. Vehicles will come through in two lines; please be in the right line if you need to exit to the right upon leaving or be in the left line if you need to take a left upon leaving. Vehicles will be loaded in groups at 8 stations (two vehicles per station) beginning around 2:10; once the cars are loaded they will be moved forward and the next set of vehicles will pull up to load.

~Parents are not allowed to get out of their vehicles to pick up children.

~All buses and daycare vans will load at the back of the school; no students will be released from this lot during dismissal. All changes in transportation need to be submitted in writing no later than 1:00 PM to the child's teacher.

Cafeteria Procedures, Breakfast & Lunch Information

~All students at Ed V. Baldwin Elementary are eligible for one breakfast meal and one lunch meal at no charge

~Breakfast is served daily from 7:00 AM to 7:30 AM; students will have the opportunity to grab their breakfast each morning from the cafeteria before going to class.

~Students are also welcome to bring a healthy, balanced lunch to eat in place of a school lunch.

~Sharing of food items at breakfast and lunch is highly discouraged due to food allergies and the potential spread of illness.

~Students are able to purchase additional snack items; please send money to your child's teacher or add money directly to their student account.

~If your child has any food allergies that the cafe staff and teacher need to be aware of, please see the school nurse or front office staff to complete the appropriate paperwork.

~Breakfast is not provided on school days with a delay in the start time; lunch is always served regardless of a delay or early release.

Communication

~Please notify your child's teacher and the front office immediately if you change your address or telephone number.

~At times during the school year parents may feel they need to speak to the teacher, a staff member, or an administrator concerning their child and/or the school programs. We always welcome the opportunity to confer with parents and offer our services. Please respect the teacher's busy schedule by setting up an appointment ahead of time. We encourage you to reach out to your child's teacher first. You are encouraged to use email and/or PBIS Rewards messaging to communicate with your child's teacher as well.

~In order to preserve the continuity of instruction, classrooms may not be disturbed by personal messages to students unless there is an emergency. If a child needs directions for after school, please make arrangements if possible with your child prior to them leaving for school.

~Changes in transportation cannot and will not be accepted over the phone or through email/messaging apps for security reasons. Please send any changes of transportation in writing to your child's teacher by 1:00 PM; changes in bus transportation require the assistant principal's approval.

~Students will be allowed to use the phone in emergencies only. We ask that parents contact teachers between the time of 7:00-7:15 AM or 2:15-2:30 PM as this is when staff members are generally free from instructional responsibilities and student supervision.

~In the case of emergencies, our office staff will take messages and/or send messages to the staff member's voicemail.

~Teachers and staff are always accessible through their school email addresses and should respond within 24 hours.

Emergency Contact Information

It is essential for the school to have parents' home, work, cell, and emergency telephone numbers of other approved adults. The school will always follow the indicated call sequence provided by the main parent/guardian. All emergency contacts will have to show identification to check out a child. Any changes in this information needs to be given to the office as soon as possible. **For security purposes, changes can only be made in person at the front office.** Your cooperation in this matter is of vital importance to the security and safety of our children.

Family/School Conferences & Communication

~Families and teachers are expected to engage in open lines of communication regarding student progress. A Family/School conference can be scheduled at any time; please contact your child's teacher for an appointment.

~Fall Family/School conferences will be scheduled at the conclusion of the first grading period; we will do our best as a school to schedule siblings on the same day.

~Spring Family/School conferences will be scheduled for students at-risk of not meeting all learning goals.

~If there are any barriers to your participation, please contact our school social worker or your child's teacher for assistance. We want to work with you and your input is valuable!

Concern Procedures

If you have a concern about your child's treatment or academic progress, you should first express your concern to your child's teacher. The classroom teacher is your child's advocate during the school day and is the most likely person to have the information needed to address your concerns. Concerns should be addressed with the classroom teacher before they are brought to the attention of administration.

Electronics, Internet & Technology Information

Electronic Devices

~Cell phones may be brought to school provided they are turned off and kept in a bookbag; students should not have their cell phones on their bodies or at their seats during instructional hours. Again this is at your own risk as there is no way to ensure that these items are secure. Teachers will confiscate any cell phone that is utilized during the school day. On the first offense, it will be returned to the student at the end of the day and parent contact will be made. On the second offense, it will be confiscated by the teacher and the parent/guardian will have to pick it up. A third offense will result in an office referral, the device will be confiscated by the assistant principal and not returned until a meeting with the student and parent is held.

Textbooks, Library Books, Technology and Internet Acceptable Use

~Students are provided with technology resources to use for educational purposes. All users are expected to use the computers and computer networks in a responsible, ethical, and polite manner. Students in violation of appropriate use will receive restrictions on their use or use altogether revoked.

~All students and parents must sign an Internet Acceptable Use Policy form to be kept on file at the school; students will not be granted access to the Internet without this signed form.

~All students will be assigned a Chromebook and charger, and in grades 3-5 students will be assigned a school calculator. Students are responsible for these items throughout the year or time period that it is checked out; any damages or lost items will be the responsibility of the student it is signed out to.

~Students can check out books each week. It is their responsibility to take care of them and return them on time. No additional books will be checked out to students if they have missing books.

~Students are responsible for their in-class materials such as textbooks. Textbooks are the property of the school and should be treated as such. The board policy concerning textbooks is as follows:

Regulation 3200-R Assessing Fees for Lost or Damaged Textbooks

The State does not provide guidelines for assessing costs for lost or damaged textbooks. Therefore, this regulation for assessing costs for lost or damage textbooks has been established by the Cumberland County School System.

1. Lost Book: 100% of the current price will be charged until the last year of use. At that time, the price charged would be the rebound price.
2. Damaged Book, Unusable: Full price will be charged based on replacement needs.
3. Damaged Book, Usable: The amount collected will be assessed by the teacher based on the condition at the time the textbook was issued versus returned. Assessments will vary depending on the level of destruction incurred.
4. Full price charges will also be applied to any workbook that is lost or damaged beyond use. If the workbook is lost at the end of the adoption cycle no charge is necessary.
5. Rebinding Fee: Based on the current rate and is subject to rate increases.

Replaces IFAA (Adopted July 1, 1985) and IFAA-R (Approved June 16, 1997)

Approved by Superintendent: May 10, 2011 Cumberland County Schools

Insurance

Each family is offered an accident insurance policy at a small cost per child. An application form will be sent home with each child during the first month of school. If you want your child insured, please follow the directions on the envelope form and have your child return it to school.

Parents, Guardians, Visitors & Volunteers

~Parents/community members are welcome and encouraged to visit our school anytime (safety procedures will be followed at all times).

~For security reasons, all parents/visitors must report to the main office and show proper identification to gain entry. This includes parents with teacher appointments, parents/visitors eating lunch, and ANYONE coming onto the school campus during the day.

~Every person entering the building after 7:25 must gain admission by using the front door and stating their purpose to the office staff through a buzzer/intercom system. Once admitted, the visitor must sign in at the front office and receive a pass to be on campus. Parents and visitors may come for the following reasons: lunch with students, watch awards, ceremonies or presentations, field day

activities, club events, or other activities as planned by the school that do not require the direct supervision of students.

~Parents/Guardians & Visitors that wish to mentor students, chaperone a field trip, proctor for testing, volunteer in the classroom/school, or work directly with students in any way must complete a Cumberland County Schools background check and be on the approved volunteer list. This is required every year and does not roll over from year to year. If you need help finding or completing this form, please contact the front office. The form is located at: www.ccsvolunteers.com

~Volunteers are WELCOME at Baldwin Elementary School. Parents, guardians, and community member volunteers are needed to support a variety of school initiatives. If you are interested in volunteering please, let us know. If you work and cannot volunteer during the school day, contact your child's teacher or a member of the PTA board for other ways you can contribute and/or participate.

Parent-Teacher Association (PTA)

Supporting the PTA – Parent Teacher Association is a way of showing you care about Baldwin Elementary School. Your time and participation will make a difference in our students' success. Please get involved - we want you! The PTA will meet monthly to present school updates and to plan for support of school initiatives.

School-wide Expectations and Procedures

CCS Code of Conduct

Teachers and the administration at Ed V. Baldwin Elementary School believe that an atmosphere of safety and order is essential if learning is to take place. Each child will receive a Code of Conduct as outlined by Cumberland County Schools and it will be reviewed with students during the first 10 days of the school year. These are specific rules and consequences that each student is expected to follow as set by the CCS Board of Education. Please read and discuss the code with your child. School codes and rules are applicable on the school premises, on any school bus, or during any school activity, function, or event on or off school property. In School Suspension and/or after-school detention may be used prior to out-of-school suspension. The CCS Code of Conduct will be followed at all times.

School-wide Behavior Expectations

At Baldwin Elementary all staff will implement a school-wide initiative known as positive behavior, interventions, and support. This approach to behavior focuses on modeling and teaching appropriate behavior expectations, recognizing a job well done, and providing appropriate consequences with reteaching when students are struggling.

~Baldwin students and staff will follow ROAR expectations (Respectful, Optimistic, Accountable, and Responsible in all areas of the building. The ROAR expectation matrix is located at the end of this handbook.

~All students will receive individual recognition throughout the day for meeting and/or exceeding ROAR expectations. Students will have the opportunity to earn rewards and incentives based on the positive points they earn. Positive points will also be used as part of class and school competitions; teachers may also opt to implement classroom challenges.

~Students will participate in a daily morning meeting with their teacher; the morning meeting is designed to build a community within the classroom and to provide a time to focus on social-emotional well-being.

~Students may be assigned an intervention or appropriate consequence to include a social skills/behavior lesson, time out of class, a behavior reflection sheet, a referral to the counselor or social worker, or other predetermined intervention.

~Students that need more intensive support will be brought to the Student Services team for an individualized plan of support that may include a daily behavior contract, daily check-in, an assigned mentor, small group social skills lessons with a counselor or social worker, individual time with counselor/social worker, etc.

Bus Safety

~The safe transportation of our students to and from school is very important; please help us in reviewing bus expectations with your child.

~Please be at your stop at least seven minutes in advance of the scheduled pick-up/drop-off time and wait at least seven minutes after the designated time before calling the school.

~Bus transportation is a privilege that may be revoked at any time for unsafe or disruptive behavior. Bus suspensions can be for one to ten days and can result in expulsion for the year.

~The Assistant Principal handles all bus concerns including bus discipline; student conferences and warning letters from the bus driver are usually the first attempts to address bus misbehavior before administrative conferences or issuing a bus suspension.

~Incidents of misbehavior on the school bus that may result in a suspension of bus riding privileges include failure to obey the driver, teasing and annoying the other students, shoving, hitting and pushing, throwing objects, profane or abusive language, vandalism, fighting, throwing objects out of the bus, unsafe bus behavior/bus stop behavior or disruptive behavior.

Clubs and Activities

At Baldwin Elementary School, we believe that providing extra-curricular activities beyond the classroom is an essential role in building a well-rounded student prepared for the 21st century. Activities and clubs beyond the classroom are designed to be engaging learning experiences where students can develop as leaders. Club and after-school activities typically occur after school on Wednesdays. Families are required to provide transportation at dismissal from these activities; failure to pick your student up on time can result in removal from the afterschool program.

~**Battle of the Books** (4th & 5th Grades)--Students read a predetermined list of books and compete as a team in a trivia-like challenge later in the school year against other students.

~**Junior Beta Club** (4th & 5th Grades)--Students are invited to join based on academic merit and teacher recommendation; members in this prestigious group focus on growth in leadership and service.

~**K-Kids** (3rd-5th Grades)--Outreach of the Hope Mills Kiwanis Club; service and leadership oriented. Students meet weekly after school to grow in the areas of social skills, leadership, and service to their school and community.

~**Performing Arts Club** (All Grades)--Students stay after school to participate in activities in one of the following areas: dance, music, production, speech, and acting; the organization typically hosts one showcase each Spring

~**Science Olympiad** (3rd, 4th & 5th Grades)--students compete in a variety of science-based challenges; students participate in a county-wide competition later in the year.

~**Other Clubs and Opportunities**--Other clubs and after-school activities vary from year to year; these activities are based on staffing and student interests. The student services team also will

facilitate several school-wide initiatives and some student-based groups; examples include Red Ribbon Week, Month of the Military Child, Kindness Club, Military Kids Club, etc. Resource teachers and/or other staff may host other clubs throughout the year related to their content area.

Dress Code Policy

~Appropriate student dress and appearance contribute to our safe & orderly school atmosphere and teaches students self-respect. Students with questionable dress/attire/appearance will be sent to the office to change clothes or call home for assistance.

~All clothing will be free of offensive language or pictures relating to violence, drugs, profanity, race, or sex.

~Blouses/shirts will cover chests, sides & midsections; sleeveless shirts should be at least 3 fingers in width.

~Please use a permanent pen to write your child's name in clothing or items before they wear or bring them to school so staff may quickly identify them and give them back to your child as needed. (inside labels or tags work well)

~Head coverings (hats, caps, etc.) and cold weather wear are not worn inside the building at any time.

~Any hairstyles which could be disruptive to the school environment are prohibited at school.

~Skirts & shorts should be at or below fingertip length when standing – no biker or spandex shorts

~Jeans/pants/slacks/shorts/shirts/shoes will fit the person wearing the clothes – no baggy/sagging attire or too tight attire.

~Closed-toe footwear is required for your child's daily physical activities. No open-toed sandals, high heels, or wheels on shoes are permitted at any time. Students are encouraged to wear closed shoes with a strap or athletic shoes at all times; students participate in outdoor recess, PE, and/or physical activities daily and safety is our number one concern. Students will not be permitted to change their footwear before physical activities. They must come to school already dressed for PE/Recess.

~Rolling backpacks are prohibited.

Search Policy

~School officials have the authority to conduct reasonable searches and seizures in accordance with Cumberland County Board of Education Policy 4342 – Student Searches. The purpose is to maintain a safe, orderly environment and uphold the standards of conduct established by the Board. A "school official" is a school administrator or a school resource officer acting in conjunction with and under the direction of the school administrator. A search of a student is lawful if there are reasonable grounds for suspecting that the search will turn up evidence that the student has violated or is violating a specific law or school rule.

~If reasonable suspicion exists as outlined above, searches may be conducted of a student's person, and personal effects, including purses, bookbags, outer clothing, wireless communication devices, and motor vehicles subject to the requirements of the policy. Strip searches are strictly prohibited. Periodic general (suspicionless) inspections of desks, lockers, and other school-owned equipment may be conducted by school officials for maintenance or health/sanitation reasons.

~Policy 4342 may be viewed at the CCS website, www.ccs.k12.nc.us

Important Dates

~The district calendar for the current school year can be found at:

<https://www.ccs.k12.nc.us/site/Default.aspx?PageID=3016>

~The full school calendar with all events can be found at <http://evbes.ccs.k12.nc.us/> additionally we will strive to continue to provide updates regarding school events and other important information through the website, Facebook, newsletters and face-to-face communication.

TITLE I EXPECTATIONS

Please be aware that Ed V. Baldwin Elementary is a Title I School. As part of the program components and the regulations of the No Child Left Behind legislation, we have been asked to ensure that each parent is informed of the following **Parent Right To Know Statement**. As required by **The No Child Left Behind Act (NCLB) of 2001**, Title I Part A, information is available at our school to include but is not limited to the following:

- ~The School Improvement Plan
- ~Qualifications of your child's teacher
- ~Professional development opportunities for teachers and assistants to ensure highly qualified personnel
- ~Opportunities for parent involvement and input
- ~The Cumberland County Schools Improvement Plan.
- ~The Cumberland County Title I Parent Involvement Plan and School Parent Involvement Plan
- ~Cumberland County System Report Card & School Report Card

It is our hope that this Handbook will help you and your child have a very successful year at Ed V. Baldwin. If there is anything that you have questions or concerns, please do not hesitate to let us know. I look forward to what we will accomplish together this school year!
