This includes serving as a lookout for others who are breaking school rules and **failing to report violations of school policy to school personnel. Reports may be made anonymously.**

- The principal may assign the student an incomplete grade if all requirements, including attendance, are not met.
- **NO ATTENDANCE RECOVERY WILL BE OFFERED.** The expectation is that students will attend school each and every day, prepared to learn

A conference with the principal and school social worker will be required for ten (10) unlawful absences and court action will be considered. **An unlawful absence is any absence that does not meet the criteria for lawful absence or for which written documentation is not provided by the parent or guardian within three (3) days.** Parents may provide written notes excusing their child's illness, however, if a student accumulates (10) lawful absences due to illness, a note from a medical provider will be required unless there is a documentation of a medical diagnosis on file at the school.

CHECK-IN PROCEDURES:

Students reporting late to school must sign in at the Front Office. This includes students who are not in class by the tardy bell for the first period.

CHECK-OUT PROCEDURES:

If a student wishes to leave school early, he/she must bring a note from home to the front office on the morning of check-out. School personnel will verify the note before the student is allowed to check-out.
