COMMENCEMENT PROCEDURES

PLEASE, DO READ THIS VERY IMPORTANT INFORMATION!!!!

1. Due to the dignity of the commencement ceremony, it is asked that ALL parents and guests of our graduates please refrain from cheering, clapping, yelling or displaying any other loud outburst of noise while student names are being called.
2. Seniors must attend Graduation Practice if they plan to march at Commencement.
3. March with shoulders straight. Sit and stand with good posture. Your tassel should hang over the right temple. **Do not chew gum!**
4. **Stage participants should march to the stage instead of entering their assigned row.** You will march in from the same side at commencement as you do for graduation practice.
5. There should be no talking during the ceremony. Talking is distracting to others and it detracts from the dignity of the occasion.
6. Teachers will see that you have the correct spacing as you enter the auditorium. Try to keep this same distance between you and the person in front of you as you proceed.
7. **Remain standing until you are given a signal to sit.** Watch carefully for all signals for standing and sitting so that you will be together.
8. Diplomas will be given alphabetically, one row at a time. All diploma jackets will be empty. **If you have any unfulfilled obligations to the school or if your behavior during the ceremony is not exemplary, you must return to Alger B. Wilkins to take care of your responsibilities.** If your diploma is held because of your behavior, you must make an appointment with the Principal.

Class of 2022

COMMENCEMENT PROCEDURES

(continued)

9. When it is time for diplomas to be awarded, a marshal will direct you to the stage. Wait until your name is called. Receive your diploma and proceed across the stage in a very dignified manner.
10. As you receive your diploma, there may not be shaking hands due to COVID-19.
11. Continue across the stage, leave the stage, move back to your row and your seat and **remain standing until all members of your row have returned to their seats**. The marshals will let you know when to sit. At the end of the ceremony, after the recessional, you will be directed to the holding area where the Graduation Coordinator and Counselor will have the insert for your diploma.
12. Do not toss your cap into the air when the ceremony is over.
13. If you choose not to march for commencement, you may receive your diploma at Alger B. Wilkins on **by appointment**. Please let the principal or the school counselor know if you plan not to march.

RESERVED SEATING

There is designated seating in the coliseum for physically challenged guests. Arrangements will be made for **one** family member to be seated with the physically challenged guest in the designated area.
