Ms. Jacqueline Newman, 6th | Mr. Steven Skarie, 7th | Dr. Daisha Sales, 8th Asst. Principals

How to Access Your Student's Bus Information

Parents/students can access their bus and stop assignment on the Student/Parent Portal as the transportation data has been loaded back into PowerSchool. The screen in the portal will then show the bus number, stop location and time for AM & PM.

- When a student/parent logs into the Student/Parent Portal, click on Transportation on the left main menu (see image below)
- Transportation details will show if the student is assigned to a bus and the data is loaded into PowerSchool.
- If a student is not routed on a bus, the screen will be blank for the student.

Example Provided Below:

The Transportation information is not available on the PowerSchool App but the student/parent can access the information by following this guidance from the CCS PowerSchool team.

In lieu of the parent/student portal app, if a parent logs directly into the website at cumberland.powerschool.com/public on their phone, they can see the same information as if they were logging in on a computer. (See screenshot below).
